CREDENTIAL REQUESTS

■ All requests for working press, radio, television or photo credentials should be emailed to Mark Wallington (mark.wallington@unlv.edu) no later than one week prior to the game. Proof of coverage may be required. Requests for season credentials should be made no later than two weeks prior to the first game.

■ Space in the Sam Boyd Stadium press box for working media is limited and will be at the discretion of the UNLV Communications Department. Only credentialed media members will gain entrance. In compliance with the working code of the Football Writers Association of America, children, spouses, dates and pets are not permitted. Sam Boyd Stadium is a non-smoking facility, except for designated areas.

■ Credentials will not be mailed – they may be picked up at the UNLV External Communications office (located on the ground floor of the Cox Pavilion on campus) by 4 p.m. on the day before the game or at the Press Will-Call window (South End Zone, Sam Boyd Stadium Ticket Office) beginning two hours before kickoff.

MEDIA PARKING

While parking is free of charge at Sam Boyd Stadium, passes for media-lot parking are available on a game-by-game or seasonal basis. Please contact the Communications Department to request any passes, which must be picked up by 4 p.m. on the day before the game or at Will-Call on the day of game. Directions to the media parking area are included on the back of each pass.

PRACTICE COVERAGE

■ UNLV practices held at Rebel Park on campus are closed to the general public but open to members of the media on a limited basis. During regular game weeks, the team will have Sundays off and hold morning practices Mondays, Tuesdays, Wednesdays and Thursdays. Players and coaches are not available to the media after Wednesdays each week.

■ Those needing interviews and practice times must contact UNLV Communications. Interviews must be conducted prior to or at the conclusion of practices. No player or coach interviews will be conducted during practice or on Thursdays. Media wishing to interview players before practice must be at Rebel Park at least 15 minutes before practice begins. Videotaping and photography is allowed by credentialed media only but NO electronic communication devices are allowed to be in use at Rebel Park and no live reporting of practice activities is allowed. Contact the Communications Department in advance to guarantee arrangements.

CREDENTIAL POLICY FOR ONLINE SITES

Internet companies that run sports-related content websites will be considered for media credentials to UNLV Athletics events only if the company in question meets both of the following criteria: The website in question must be directly affiliated with a traditional news service, agency or company and employ a full-time staff. Also, the individual or individuals representing the website in question must be a legitimate sports/news reporter and must provide written authorization from their respective editor to illustrate that they are directly affiliated with a traditional news service, agency or company. Correspondence from anyone other than an editor will not be accepted. The UNLV Communications Department has final authority on whether any individuals from any organization will be issued media credentials.

PHONE INTERVIEWS

Those needing a telephone interview with either Coach Sanchez or Rebel players must contact UNLV Communications at least 24 hours in advance. Player phone interviews will generally be available after practice on Tuesdays or Wednesdays.

WEEKLY FOOTBALL RELEASE

UNLV makes its athletics-related media releases available exclusively on the internet website www.unlvrebels.com. "UNLV Football News" will be prepared each week starting August 25 and be posted on the school's official site by Monday morning in Adobe PDF format. However, the release is also available through electronic mail. Any members of the media interested in having the weekly release and/or all Rebel football releases emailed to them should request to be added to the general list by emailing football contact Mark Wallington at mark.wallington@unlv.edu.

WEEKLY PRESS CONFERENCE

Coach Sanchez and two select players will appear at a press conference for any credentialed media each game week on campus. Please contact UNLV Communications for time and location.

GAMEDAY SERVICES

- A complimentary pregame meal is scheduled to be served during the two hours before kickoff while complimentary canned Coca-Cola products, bottled water and frozen treats will be available throughout the game.
- A roster card will be available for working press. An internal PA system will provide updated information and notes throughout.
- Live stats will be available while printed versions will be provided along with postgame quotes from Coach Sanchez and the opposing coach.
- Sam Boyd Stadium's press box features complimentary high-speed wireless internet access to credentialed media.

DIRECTIONS TO STADIUM

Sam Boyd Stadium (7000 E. Russell Road, Las Vegas, NV 89112) is located approximately seven miles from the UNLV campus in Las Vegas. From McCarran Airport, go south (right) on Tropicana Ave. and continue until reaching the stadium. From the World Famous Las Vegas Strip, head south on Tropicana Ave., which eventually leads you to the entrance of the stadium, where you can enter the parking lot at Gate 1.

MEDIA ENTRANCE

To reach the press box, media members should enter through gates at the base of the Findlay Toyota Tower (West side of SBS) where two elevators are available along with a staircase. The print level, radio booths and TV booth are all located on the fourth floor. The camera deck can be found on the tower's rooftop, which is only accessible via the left elevator.

PHOTOGRAPHERS/VIDEOGRAPHERS

No free-lance photographers will be credentialed. All sideline photographers/videographers are not permitted to shoot between the 25-yard lines and must wear their credential in plain sight at all times. The bench areas between the 25-yard lines are off limits to all media representatives. Per Mountain West rules, only credentialed crew members from the TV entity contracted to broadcast the game are allowed to shoot inside the designated area closest to the field.

POSTGAME INTERVIEWS

The UNLV locker room will be closed to the media. After an NCAA-mandated 10-minute cooling-off period, a post-game press conference will be held with Coach Sanchez in an interview area located behind the Visiting Team locker room. Following the game, credentialed media will enter the area by walking on field level around the building in the North End Zone. UNLV players will be available outside of the Rebel locker room as they exit to the North parking lot.

SIMPLY REB!

A NOTE TO THE MEDIA: Please remember that UNLV (acronym on all references) is home to the REBEL football team. Only the men's basketball team at UNLV is nicknamed the RUNNIN' REBELS.

THE FINDLAY TOYOTA TOWER AT SAM BOYD STADIUM

The Findlay Toyota Tower at Sam Boyd Stadium is home to the venue's media center, camera deck, luxury suites and plush Club Seats area. The state-of-the-art tower is the jewel in the shiny crown of the 35,500-seat desert-set facility.

THIS IS THE MOUNTAIN WEST

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State joined the Mountain West in 2011, followed by Fresno State and UNR in 2012. That's the same year that the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San Jose State and Utah State joined, bringing to 11 the number of full-time member institutions and 12 football-playing members.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, Reno, respectively, while Fresno State, San Diego State and San Jose State add a West Coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean.

Mountain West members have participated in 96 bowl games under the league umbrella, including four appearances in BCS games and one CFP game. The MW has earned 84 postseason bids in men's basketball, with six Sweet 16 appearances as well as three NIT Final Four berths. MW women's basketball has tallied 81 postseason slots, including 38 NCAA bids, five Sweet 16 appearances and one Elite Eight berth since 2000. Wyoming took the MW's first WNIT championship in 2007 with a win over Wisconsin. In women's volleyball, the MW has had 44 NCAA bids with nine Sweet 16 berths and one Elite Eight appearance. The MW has produced 1,214 All-America selections among its 18 sponsored sports (men's swimming was discontinued as a Conference sport following the 2010-11 season) in the last 19 years, including a league-record 103 All-America honorees in 2016-17. A total of 212 MW student-athletes have also earned Academic All-America accolades in that span. The Mountain West has sent at least 25 teams to NCAA postseason events in each of the past 20 years, capturing five team national championships and producing 49 individual national champions.

MOUNTAIN WEST FOOTBALL

Entering the 2019 season, the MW has agreements with eight different bowl games that will generate at least five guaranteed postseason opportunities for its member institutions. These include primary positions with the Mitsubishi Motors Las Vegas Bowl, SoFi Hawai'i Bowl, Famous Idaho Potato Bowl, New Mexico Bowl and NOVA Home Loans Arizona Bowl -- and secondary positions with the Redbox Bowl, Cheez-It Bowl and Frisco Bowl. An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in five inaugural bowl games as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

MW FOOTBALL IN THE POSTSEASON

For the 12th consecutive year, the Mountain West sent at least five teams into postseason bowl games, including filling six bowl spots in 2018 (Boise State's bowl game was canceled due to weather). The conference has earned 96 bowl bids since 1999 and holds a 52-43 all-time record in those contests. The MW has finished with a winning record in the postseason in seven of the last 13 years.

Over the last 15 seasons, the MW has captured the Bowl Challenge Cup four times and is one of just two conferences to win the trophy outright more than twice since the award's inception in 2002-03. The Bowl Challenge Cup was created by ESPN as a competition among the conferences in the FBS during the bowl season. In order to win the trophy, a conference must have the highest win percentage with a minimum of three teams participating in the postseason.

SAM BOYD STADIUM

SAM BOYD STADIUM
SBS FAREWELL

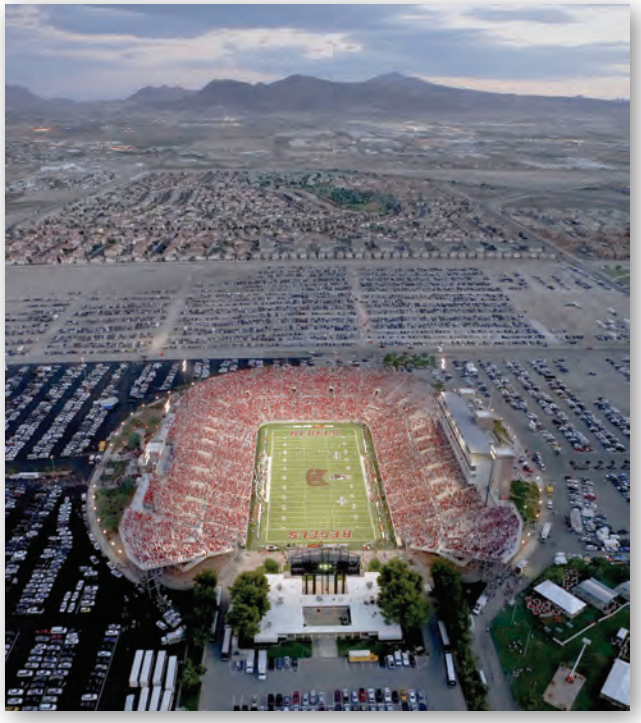
Sam Boyd Stadium enters its final year as home to UNLV Football in 2019 as the Rebels prepare to move to the new, $1.8 billion Las Vegas Stadium. UNLV, however, will send the facility out in style with a season-long SBS Farewell celebration for its home of 49 years.

In December 2017, the stadium was named one of the 10 most scenic in all of college football in USA TODAY's travel section.

Undergoing a complete facelift and renovation during 1999, Sam Boyd expanded to a capacity of 36,800 (with the ability to seat more than 40,000 when called for). In 2015, however, the facility underwent improvements to the field level that included creating wider sidelines and installing a new SPRINTURF playing surface. The changes took SBS to its current capacity of 35,500 for football.

Located in Las Vegas approximately seven miles from both the UNLV campus and McCarran International Airport, Sam Boyd Stadium successfully combines the excitement of a college football stadium and the versatility of an entertainment arena. The Rebel football team has posted a 155-135-3 record in 48 seasons playing there.

SBS marked its 25th anniversary in 1996 by hosting the state's then-largest-ever sporting crowd on Sept. 14 when 41,091 fans witnessed UNLV take on Wisconsin. That total was surpassed just three months later when 41,238 saw BYU get past Wyoming in the first WAC Championship game. That record was re-written once more when 42,075 fans saw the Badgers return to face the Rebels on Aug. 31, 2002. The 2006 Las Vegas Bowl ultimately upped the record to 44,615 in a game between BYU and Oregon.



The stadium has hosted some of the greatest talents in sports and show business. Future NFL quarterbacks Randall Cunningham, Jim McMahon, Drew Bledsoe, Carson Palmer, Andre Ware, Alex Smith, Andy Dalton, Colin Kaepernick and Kellen Moore are among those who have played at Sam Boyd Stadium along with events involving athletes such as soccer legend Pele and motor sports stars. Additionally, the stadium has hosted world-class concerts by such musical acts as the Dave Matthews Band, the Eagles, U2, Paul McCartney, Wayne Newton, and the once-annual summer appearances by the Grateful Dead.

A mecca for football played on all levels, the stadium is currently site of the Las Vegas Bowl each December after serving as home to three Western Athletic Conference championship games from 1996-98. The facility has served as host to professional football three times, including housing the two-time United Football League champion Las Vegas Locomotives in 2009-10. The Las Vegas Outlaws of the XFL made it their home in 2001; and the Las Vegas Posse, a Canadian Football League franchise, played one season in 1994. SBS also hosts high school games and has been site of the state's prep championship.

The venue also hosted two other college football events: the Silver Dollar Classic, which featured teams from historically black universities, and the Las Vegas All-American Classic all-star game from 2003-05.

Originally named Las Vegas Stadium when it was built in 1971 at a cost of $3.5 million, the facility was re-named the Las Vegas Silver Bowl in 1978 and then known as the Sam Boyd Silver Bowl in honor of local gaming pioneer Sam Boyd beginning in 1984. Its name was officially shortened to Sam Boyd Stadium in April 1994.

The first event held in the then-15,000-seat stadium was a UNLV football game against Weber State on Oct. 23, 1971, won by the visiting Wildcats, 30-17. Official dedication ceremonies, however, took place the next season on Sept. 9, 1972, at halftime of a 35-28 loss to Western Illinois before 8,800 fans.

SBS, which has always retained its horseshoe shape, underwent an expansion to 32,000 seats in 1978 and again enjoyed improvements in 1994. The Rebel Experience area outside the stadium opened in 1997.

One of the highlights of the 1999 renovation was the replacement of the so-called "Magic Carpet" retractable artificial turf that had been in place since 1985. Originally fitted with traditional AstroTurf, Sam Boyd was the first stadium in the world to install a Monsanto Corp. outdoor retractable turf, which helped give the facility its multi-purpose capability. The surface, which simply rolled up into cylinders in less than an hour, was installed at a cost of $1.2 million in part through a grant by the Sam Boyd family. Natural grass replaced the artificial turf from 1999-2002 before a synthetic surface was installed in time for the 2003 season.

SAM BOYD STADIUM

SAM BOYD STADIUM TO HOST ITS FINAL LAS VEGAS BOWL IN 2019

The 28th edition of the Mitsubishi Motors Las Vegas Bowl will be the final one to pit a Mountain West team against a Pac-12 program as the bowl moves into Las Vegas Stadium in 2020 with a new matchup. The 2019 game will kick off on Saturday, Dec. 21, with a 4:30 p.m. local start. Last year's game saw Fresno State take down Arizona State, 31-23, in what is now the 16th-oldest active bowl game in college football. Played every year since 1992 at Sam Boyd Stadium, the Las Vegas Bowl will again be nationally televised by ABC.

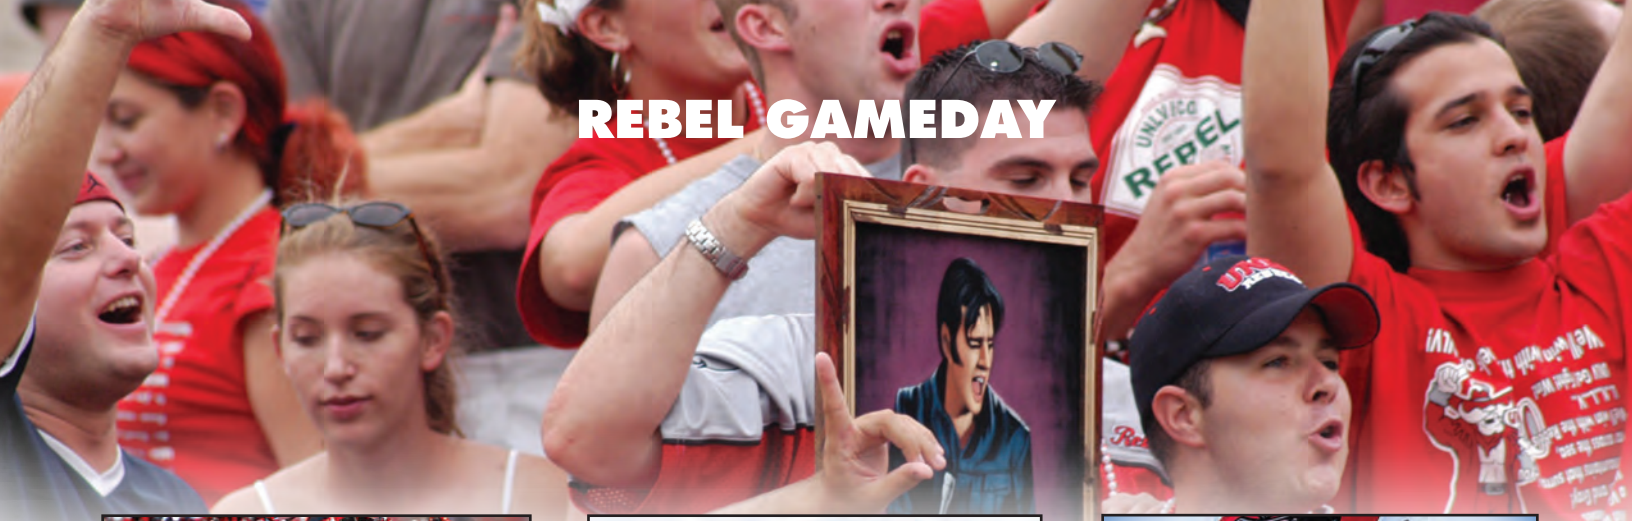
REBEL GAMEDAY



UNLV CHEERLEADERS, DANCE TEAM & POM SQUAD

All part of one of the nation's best-known spirit squads, the UNLV Cheerleaders, the UNLV Dance Team (Rebel Girls & Company) and most recent addition, the UNLV Pom Squad, are fixtures at all Rebel football games. The teams perform at various UNLV athletic events and volunteer their time to appear at various events throughout the Las Vegas community.

THE REBEL BLOCK PARTY

The Rebel Block Party pregame experience, free and open to the public, debuted in 2015 in the northwest parking lot of Sam Boyd Stadium. The 64,000-square-foot area regularly offers a music concert, Kids Zone and a variety of food trucks. The highlight of the party, however, is the UNLV cheerleaders and Star of Nevada Marching Band helping fans greet head coach Tony Sanchez and his team as they make their Rebel Walk into the stadium.

THE STAR OF NEVADA MARCHING BAND

Numbering more than 100 strong, the Star of Nevada Marching Band, which began in its present form in 1978, is a big part of Rebel Football Gameday. Whether it's pumping up the crowds at the Rebel Experience or entertaining fans at halftime, home Saturdays at Sam Boyd Stadium would not be the same without strains of "Win with the Rebels" peppering the autumn air. Directed by Tony LaBounty, the UNLV band is announced by Dr. Harvey Allen who in 2019 goes into his 41st season as the voice of the Star of Nevada Marching Band.

UNLV FIGHT SONG

"WIN WITH THE REBELS"

Win with the Rebels a victory today!
Win with the Rebels, the Scarlet and Gray.
From mountains that surround
you to far across the sea.
We'll win with the Rebels of UNLV.
U-N-L-V UNLV Go, Fight, Win.
We'll win with the Rebels of UNLV.

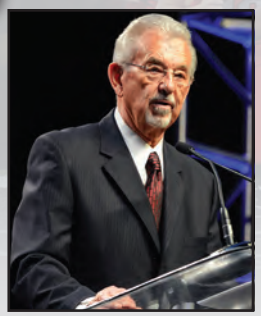
UNLV ALMA MATER

Alma Mater, we praise you
For spirit, the eternal flame,
Strength which never falters,
A tribute to your name
Alma Mater, we thank you,
Exalted Scarlet and Gray.
Truth and wisdom from your standard
In our minds and hearts will stay
Alma Mater, we cherish you.
And in our days that are yet to be,
Our voices let us ever raise
In honor, U-N-L-V.

NINTH ISLAND SHOWDOWN

Sponsored by the California Hotel

In 2017, the UNLV and Hawai'i football programs jointly introduced a new annual rivalry game, the Ninth Island Showdown. Sponsored by the California Hotel, the winner of this Mountain West matchup now get rights to the Island Showdown Trophy, which includes both a pineapple – a Vegas-style gold pineapple – and a variation of the Welcome to Fabulous Las Vegas sign. Las Vegas has earned the nickname "The Ninth Island" for its long-standing popularity with Hawaiian visitors and transplants. UNLV won the inaugural game 31-23 on Nov. 4, 2017, at Sam Boyd Stadium in Las Vegas. Hawai'i holds the trophy heading into 2019 after the Rainbow Warriors beat the Rebels 35-28 in Honolulu on Nov. 17, 2018, in the second installment of the showdown.



VOICE OF THE REBELS DICK CALVERT

A familiar sound to UNLV fans of all ages, **Dick Calvert**, the legendary "Voice of the Rebels," was inducted into the school's Athletics Hall of Fame in 2017. Now in his fifth decade as the game announcer for UNLV, Calvert calls Rebel football, basketball, soccer, baseball and other events at Sam Boyd Stadium, Thomas & Mack Center, Cox Pavilion, Peter Johann Memorial Field and Earl E. Wilson Stadium, has also served as the game announcer for the Mountain West Conference, Pac-12 Conference, West Coast Conference and Western Athletic Conference basketball tournaments, the Las Vegas Bowl, the NBA Vegas Summer League, the FIBA Americas tournament, the USA Basketball Senior Men's National Team and the Las Vegas 51s AAA Professional Baseball Club.

Additionally, the longtime university staffer works many MW Championships hosted by UNLV and is the official starter for a number of university and NCAA golf tournaments. In fact, Calvert annually works more than 125 local events. He was inducted into the Southern Nevada Sports Hall of Fame in June 2010 and is extremely proud of having worked for every athletics director in UNLV history.

The former play-by-play broadcaster is also one of the most experienced commentators of American professional soccer, having served 18 seasons in both the North American and Major Soccer Leagues. Calvert has had the privilege of working in three World Cups.

The Las Vegas resident retired from broadcasting and the UNLV Athletics Department after serving as the director of broadcasting, director of athletic marketing for Olympic sports and director of athletic facilities/operations. Calvert and his wife, Anne, are the parents of four and the proud grandparents of 10 and great-grandparents of eight.

THE FREMONT CANNON

Trophy Helps Illustrate Importance of State Rivalry

Not simply a traveling trophy for the winner of the UNLV vs. UNR game, the Fremont Cannon is ever-present at the annual Battle for Nevada.

The tradition of awarding the cannon to the victors started more than four decades ago when the Rebels' first football coach, Bill Ireland, felt the young rivalry between the north and south schools could use a symbolic trophy to stimulate interest. The prize turned out to be a replica of the howitzer used by John C. Fremont, one of America's foremost trailblazers, as he headed west into Nevada in 1843. Legend has it that Fremont violated U.S. War Department rules by taking the cannon with him on his westward trek without permission and then abandoned the weapon in a Sierra-Nevada snowdrift.

Built by the Kennecott Copper Corp., Nevada Mines Division, the cannon was originally valued at more than $10,000 and is considered one of the best, and heaviest, symbols of rivalry in college football. The Fremont is one of only two cannon prizes in all rivalry games, along with Illinois vs. Purdue. In 2014, the cannon was named the best rivalry trophy in all of college football by Yahoo! Sports.

The Wolf Pack held the cannon first because they had beaten the Rebels 30-28 in the initial game of the series on Thanksgiving Day 1969. UNLV promptly won rights to the big gun in 1970 with a 42-30 home win and went on to dominate the series with eight wins in the next 11 games played. After UNR rebounded to win five straight games (1989-1993), UNLV regained the cannon in its Silver Anniversary Year in 1994. After two consecutive losses, UNLV stole the cannon back in 2018 with a dramatic come-from-behind 34-29 win at Sam Boyd Stadium on Nov. 24, 2018. UNR still leads 26-18 in the all-time series, which has been continuous since 1987. The teams will meet again in Reno on Nov. 30, 2019.

HEY REB

Embodying the Rebel spirit of the University he promotes, UNLV's Hey Reb made his debut in 1983 and received a makeover in 1997. Inspired by the western trailblazers of the 1800s, Hey Reb was named one of 12 All-American Mascots. He competed for the title of 2004 Capital One Mascot of the Year and made a strong showing by coming in second in online voting. No stranger to national television, however, Hey Reb has appeared in two memorable ESPN SportsCenter commercials and multiple LG TV ads (pictured, right) during March Madness 2013.

Opened as a satellite campus in 1957, the southern regional division of the University of Nevada became Nevada Southern University in 1965 and finally evolved into University of Nevada, Las Vegas four years later when the Board of Regents granted it autonomy under the state's higher education system.

Men's basketball was the first sport organized at UNLV, opening play in 1958 under head coach and athletic director Michael "Chub" Drakulich. Baseball, also coached by Drakulich, started in 1960 and football came to campus nearly a decade later when head coach Bill Ireland's squad went 8-1 in 1968. Women's club sports such as tennis emerged in 1960 under administrator Alice Mason but basketball became the first women's varsity sport in 1974. UNLV now sponsors seven men's and 10 women's athletic programs.

Drakulich: Father of UNLV Athletics

NICKNAME

UNLV's nickname dates to the University's origin in the mid-1950s. Nevada Southern was struggling to emerge from the shadow of the University of Nevada, Reno and its students and administrators drew the idea from the natural rivalry that accompanied the split between what would become UNLV and UNR. The nickname "Rebels" was given to UNLV athletic teams because the school in effect "rebelled" against its bigger and older brother to the north.

The name "Runnin' Rebels" (always spelled without a 'g') was coined by then-sports information director Dominic Clark in 1974 to help describe the fast-paced teams of legendary hoops coach Jerry Tarkanian. It still applies only to the UNLV men's basketball team.

MASCOT

Nevada Southern students also created the school's original mascot, Beauregard, a fanged cartoon wolf with a Confederate-style uniform, to "rebel" against UNR's Wolf Pack mascot in the north.

Beauregard's smirk and wink contrasted with UNR's ferocious wolf, another nod to the fledgling school's break from tradition and its older and more established peer. Beauregard lasted until the early 1970s, when a group of African-American student-athletes voiced objection to the Confederate imagery surrounding the mascot. Campus leaders agreed and in 1976 the student senate voted to officially banish Beauregard. Both he and the Confederate symbols were relegated to the history books and their only presence on campus today is in areas describing the history of the mascot and in the Majorie Barrick Museum, where the former gymnasium still includes the old wood basketball floor with the wolf logo painted at what was center court.

The Rebel name was also put to a vote in the early 1970s, with students deciding 446-246 to retain it. According to the University's 50th anniversary book, UNLV: A History: "After all, 'Rebel' stood for much more than a supporter of the Civil War against the Union. In the 1960s especially, it symbolized those who rejected convention, tradition, racism ... Most of all, in Southern Nevada it stood for those who had opposed northern domination in the state legislature and unwanted dependency upon Reno."

After students voted to bounce Beauregard, the Rebels briefly used a colonial soldier during the Bicentennial and there was talk at one time of changing UNLV's nickname to Minutemen. However, the school went largely without a mascot until 1982. That's when celebrated local artist Mike Miller was asked to conceptualize his version of the UNLV Rebel -- and Hey Reb! was born.

Miller, a partner in a local advertising firm who held the UNLV account, was asked to create a character representative of area history that embraced the rebel spirit. Miller, shown below with his creation, said his inspiration came from the western trailblazers of the 1800s, such as John C. Fremont and Kit Carson, who ventured into uncharted Nevada to discover resources and build communities.

"Pathfinders were independent people who went all around the West looking for new trails, agriculture, gold mining," he said. "I sketched out a little mountain man with a long coat that had some fringe on it."

The design, which Miller sold to UNLV for one dollar, was reflective of western independence and immediately resonated with students, fans and the community. Despite the new Rebel symbol eventually being displayed as having striking white hair, Miller said he put Hey Reb's intended age at around 30 years old.

As for the unusual name of the character, there was no campus contest or high-priced marketing focus group assembled. "I just wrote Hey Reb! On the back of his coat on of the many variations I gave (UNLV)," Miller said. "I was hoping it would be a good slogan – a yell-out cheer at games – but it never really caught on."

The mascot, however, did catch on in a big way as UNLV vaulted to the top in college apparel licensing with the decade. In 1997 a more muscular version of Hey Reb, minus the original musket, was introduced and another refreshed version was announced in 2006 and again in 2017. Miller, who passed away in 2014, was inducted into the UNLV Athletics Hall of Fame in 2012.

Power Behind The Program

SEAN MANUEL

Director of Strength & Conditioning

The UNLV Football strength & conditioning program is under the direction of former NFL player and longtime coach Sean Manuel.

This fall the Rebels will make the move to a state-of-the-art Strength Center in the stunning Fertitta Football Complex. The 10,000-square foot area, which will include offices for Manuel and his staff, will exclusively serve the football program.

A well-appointed cardio station will directly lead to the Ernie Becker Sr. Football Fields at Bill "Wildcat" Morris Rebel Park.

Complete with a nutrition bar, the center is also just steps away from a full-service training table with seating up to 120 on the second floor.

VIVA LAS VEGAS!

Head Coach Tony Sanchez wasted no time making Las Vegas a prominent part of his team's look on the field as the Rebels wore two new helmets (red and silver) and three new Nike uniform designs in 2015.

In 2016, a third helmet (black) entered the mix as there are now 27 different uniform combinations available for the UNLV football team.

The words LAS VEGAS are found in UNLV's custom font along both legs on the white pants whle select diamonds from the iconic Stardust hotel sign -- a nod to the city's popular Neon Museum Boneyard -- can be seen on the red and black pants.

Of course, all three helmets feature a three-inch-wide silver and red chrome version of the world famous "Welcome to Fabulous Las Vegas" sign on the back.

The Finest Care

Kyle Wilson

Assistant AD/Sports Medicine

Providing the best possible preventative and rehabilitative care, the UNLV football athletic training staff is headed by Assistant Athletic Director of Sports Medicine Kyle Wilson, who is in his 36th year at the school.

In 2019, Wilson and his staff will relocate to a state-of-the-art Sports Medicine Center inside the $34 million Fertitta Football Complex.

Aside from staff offices, the largest area features stations to perform various treatments to student-athletes throughout the day.

A separate rehab room will flank the main center, which will feature a hydrotherapy room that includes whirlpools and plunge tanks.

The new aquatic therapy room in the Fertitta Football Complex will feature three in-ground pools.

Fertitta Football Complex

Opening Fall 2019

The Fertitta Football Complex, UNLV football's state-of-the-art training facility is set to open this fall. On Sept. 13, 2016, the Fertitta Family pledged $10 million toward the construction of the training center, marking the largest single gift in UNLV athletics history.

The 73,000-square-foot, two-level complex is located on campus in the north end of the team's practice area and overlooks the Ernie Becker Sr. Football Fields at Bill "Wildcat" Morris Rebel Park. The Fertitta Football Complex will serve as the day-to-day home of the program and include an academic center, locker rooms, offices, meeting rooms, strength & conditioning center, media room, training table and nutrition bar, athletic training center, player lounge and a barber shop.

UNLV's football program saw 17 players become eligible to take part in 2018's Spring Commencement Ceremonies on campus.

A program-record 28 UNLV football players were named to the 2018 Academic All-Mountain West team. The Rebels have hit double figures on this list 12 of the last 13 seasons. In 2017 the program set a new record with 26 honorees and went on to top that in 2018. The group of Rebels included one player who earned the honor for the third straight year: junior wide receiver Darren Woods Jr. Academic advising for football has helped produce 278 such honorees since the school joined the Mountain West in 1999. In addition, a program-record 19 Rebel gridders last year earned spots on the UNLV Dean's Honor List.

REBELS WITH A CAUSE

UNLV and its student-athletes are committed to success both on and off the fields of play. Rebel players have the opportunity to become more involved members of the Southern Nevada community. Through interaction with charitable organizations, local schools, hospitals and various youth events, the Rebels have become increasingly positive role models. Each year, the athletics department's effort in Nevada Reading Week translates into dozens of area schools being visited by nearly a 100 athletes, coaches and staff. Other programs the Rebels have recently taken part in include holiday food drives, Child Haven's holiday party, Communities in Schools, the Santa Clothes program, KLUC Toy Drive, Opportunity Village's Santa Run and Joy Prom.

UNLV BOASTS FOUR COMMUNITY SERVICE ALL-AMERICANS SINCE 2002

UNLV wide receiver **Casey Flair** was one of only 11 players in the nation named to the 2007 American Football Coaches Association (AFCA) Division I-A Good Works Team. The Alaska native became the fourth Rebel in six years selected to the prestigious collection of student-athletes that has been honored for its performance off the field since 1991. Former UNLV lineman **Tony Terrell** (Lawndale, CA) was the program's first-ever honoree in 2002 and two-time All-American safety **Jamaal Brimmer** (Las Vegas) earned the nod in 2004. Las Vegas native **Leon Moore** was honored in 2005. Nominated by their school's sports information directors and voted on by an AFCA committee, successful candidates must be heavily involved in working for charity and/or service to their community.

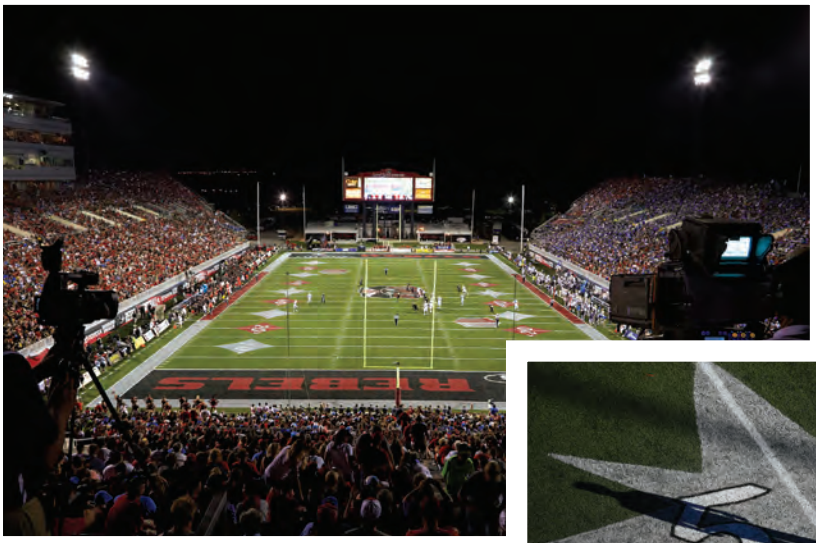
One-Of-A-Kind Design

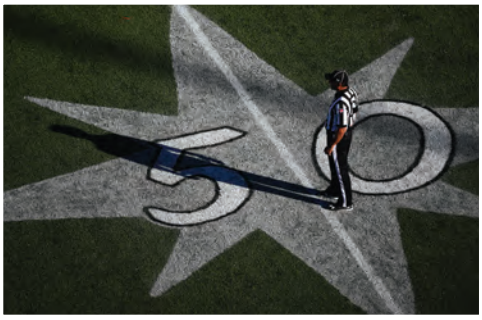
Sam Boyd Stadium underwent a $1.2 million renovation on its field level during the summer of 2015 that included a new $800,000 playing surface. Two rows of seats on both the West and East sides were eliminated to create a wider field and a new official stadium capacity for football of 35,500. The highlight of the project, however, was the installation of a new football field for the first time since 2003. The state-of-the-art, 100-percent Made in the USA, SPRINTURF synthetic surface features a shock pad for player safety. Given the advantages of a blank green canvas with no sewn-in markings, UNLV head coach Tony Sanchez looked to go bold with the program's new field design and the Vegas-themed look made national news when the rendering was released in August.

The world-famous "Welcome to Fabulous Las Vegas" sign makes an appearance in the black end zones along with "REBELS" in red. Yardage numbers are displayed in a unique retro Las Vegas font and lay atop red and gray diamonds made famous in the iconic old Stardust hotel sign. The 50-yard-line markers are gray sunbursts taken from the top of the aforementioned Las Vegas sign. Finally, a gray strip borders the entire field. The entire design, including the Mountain West Conference logos and midfield UNLV primary logo, is painted by stadium personnel in the final weeks leading up to kickoff.



"Las Vegas is so important to our University and our football program wants to be a big part of the Las Vegas community. We are fortunate to live in one of the world's great destinations and these innovative designs are one of the ways we will proudly represent our city."

--Head Coach Tony Sanchez



"In a short time, Sanchez has created a buzz for UNLV sports that hasn't been around maybe since Jerry Tarkanian and the basketball team took the city by fast break."

--Associated Press

"The response locally and nationally has been almost universally positive and it continues the extra focus Sanchez has brought to the program."

--Las Vegas Sun

"It's going to be pretty hard to top the latest that UNLV has created."

RUSS LANGER
Radio Play-by-Play

Award-winning announcer **Russ Langer** is in his eighth season as play-by-play voice of UNLV Football in 2019. The 10-time Nevada Sportscaster of the Year is a familiar sound to area fans as he completes his 19th season calling games for the Las Vegas Aviators professional baseball team, Triple-A affiliate of the Oakland A's. Langer, who serves as Director of Broadcasting for the Pacific Coast League franchise, was also the New Mexico Sportscaster of the Year in 1999 when he was play-by-play voice of the Albuquerque Dukes. The University of New Mexico graduate is a two-time Minor League Broadcaster of the Year. His Major League Baseball broadcasting experience includes more than 40 games for the Baltimore Orioles, Chicago White Sox and Montreal Expos. Langer has also broadcast high school football in four different states over the last two decades. Langer and his wife, Courtney, were married in 2014 and welcomed a son, Samuel, on February 11, 2019.

CALEB HERRING
Radio Game Analyst

Former record-setting UNLV quarterback **Caleb Herring** enters his third season as the football program's radio analyst. His appointment as analyst marked the first time that a former UNLV player was in the radio booth since Hunkie Cooper's final season with the broadcast team in 1999. Herring, who works as a corrections officer for the City of Las Vegas, led UNLV to its most recent postseason appearance (2014 Heart of Dallas Bowl) after a record-setting senior season in 2013. He holds the school mark for highest completion percentage in a game and season as well as lowest interception percentage in a season and career. A four-year letterman who started 23 games at UNLV, Herring sits ninth in career passing yards with 4,325 and his 24 touchdown passes as a senior tied for second in Rebel history. The Moreno Valley, CA, native graduated from UNLV with a bachelor's degree in psychology. He and his wife, Ashley, have one son, Isaiah.

RADIO HOME OF THE REBELS

(1100 AM) ESPN LAS VEGAS (100.9 FM)

PERSONAL DATA

Name:	Tony Sanchez
Birthdate:	Jan. 25, 1974
Birthplace:	Travis Air Force Base, Fairfield, CA
Children:	Daughter, Alyssa (18) Son, Jason (15)

Tony Sanchez, who built a national powerhouse at Las Vegas' Bishop Gorman High School, is now on his way to creating another consistent winner in town as the 11th head coach in UNLV football history.

Named to the job on Dec. 11, 2014, Sanchez in 2015 became the first Rebel coach to win at least three times in his first season since 1999. Sanchez also became only the third UNLV coach to win the fabled Fremont Cannon by defeating in-state rival UNR in his debut campaign and the first to do it on the road.

The improvement continued in 2016 when UNLV won four games and again in 2017 with five victories. That marked the first time in program history the Rebels won more games than the previous season for three straight years. Falling just one victory shy of reaching bowl-eligibility, the '17 Rebels finished with a .500 MW record, winning four league games for only the third time since the conference debuted in 1999. UNLV also won three road games in season for just the second time in 14 years and defeated three consecutive league opponents for the first time since winning the Big West Conference in 1994.

In 2018 the Rebels' 4-8 record included winning at San Diego State for the first time in 18 years and ending the season with the biggest comeback in school history. After trailing UNR 23-0, UNLV went on to down the Wolf Pack 34-29 and make Sanchez only the second UNLV head coach since 1981 to defeat the school's in-state rival more than once.

Overall, he heads into the 2019 season with more total wins in his first four seasons on campus than any UNLV head coach other than Hall of Famer John Robinson in the last quarter century.

Sanchez's impact has been felt off the field as well. His unwavering fundraising efforts have led to the construction of the state-of-the-art $34 million Fertitta Football Complex slated to open on campus this fall.

In addition, the Rebels have boasted record success in the classroom, including last year posting the highest semester and cumulative GPA in program history along with earning the most academic all-conference honorees and Dean's List members the football team has ever seen.

UNLV in 2017 rewarded Sanchez with a contract extension that will take him through at least the 2021 season.

Sanchez, who turned 45 in January, became a rising star in coaching circles after spending the previous six seasons leading Bishop Gorman to an overall record of 85-5 and six consecutive state 4A championships to go with a top-25 national ranking each year. His 2014 top-ranked Gaels squad finished 15-0 and won the mythical national championship.

"I'm fired up and ready to create excitement in the Las Vegas community and make the Rebels everybody's football team," Sanchez said on the day he was hired. "UNLV is a great university. With this community's help, we're going to make it a great football place."

Sanchez was well decorated for his efforts in his final season with the Gaels, being named USA TODAY's All-USA Coach of the Year as well as the U.S. Army All-American Bowl National Coach of the Year and the Rawlings National High School Coach of the Year. His overall record as a head coach was 120-26 after having also spent five seasons leading California High School in San Roman, Calif., before coming to Southern Nevada. He also was part of staffs at Onate High School in Las Cruces, N.M., and Irvin High School in El Paso, Texas.

The winning head coach at the 2014 All-American Bowl in San Antonio, Sanchez saw 41 of his players earn collegiate football scholarships during his time in Las Vegas, including 31 to FBS programs. Now he has attracted national attention as only the fifth man in the modern era of college football to go from the high school level directly to the position of head coach of an FBS team.

Sanchez's first major statement as the leader of the Rebels was to quickly attract a top-notch, experienced staff that was highlighted by Nebraska offensive coordinator Barney Cotton. Dividends from the impressive list of assistants joining Sanchez began immediately as just over a month later, the group secured a recruiting class that was ranked in the upper half of the Mountain West Conference by multiple national outlets. One year later, the Rebels' class was one of the program's best ever as it included a school-record 10 three-star signees.

Having come to campus as one of the youngest head coaches on the FBS level, Sanchez is a 1992 graduate of Granada High School in Livermore, Calif. A decorated two-way player, he went on to become a standout receiver at Laney College in Oakland before transferring to New Mexico State. He would letter two seasons for the Aggies and finished his senior campaign with 42 receptions for 546 yards, including grabbing five passes for 80 yards at Sam Boyd Stadium when he played against UNLV on Nov. 18, 1995. His first taste of coaching came the next season when he served as an undergraduate assistant at his alma mater.

The son of a career policeman in the Oakland area, Sanchez was born Jan. 25, 1974, at Travis Air Force Base in California while his father was serving in the military. He earned a bachelor's degree in family and consumer science from NMSU in 1998 and then his master's in special education in 2003. He has two children: daughter, Alyssa, graduated from Bishop Gorman in 2019 and son, Jason, currently attends Bishop Gorman.

NO. 15 TROJANS PULL AWAY LATE

LOS ANGELES (UNLVRebels.com) - Playing at the famed LA Memorial Coliseum for only the second time, the UNLV football team opened its 51st season Saturday afternoon by giving No. 15/15 USC all it could handle before the Trojans pulled away with 24 points in the fourth quarter for a 43-21 victory.

Competing in sunny and humid conditions, UNLV got off to a miserable start, fumbling away the football on the very first play of the season. The Rebel defense responded, however, holding the Trojans to a subsequent field goal – the first of four three-pointers for the home team in the first half alone.

UNLV twice quieted the crowd by taking the lead before halftime, first when Lexington Thomas raced for a 71-yard touchdown on a fake reverse to make it 7-6; and then when Armani Rogers found Kendal Keys for a 31-yard scoring strike to make it 14-9. The Trojans eventually led by five at the break and, after a scoreless third quarter, outscored UNLV 24-7.

THE TURNING POINT: Leading 14-12, UNLV had all the momentum late in the second quarter while driving to the USC 20-yard line. That's when the Rebels missed a 39-yard field goal attempt and the Trojans responded with a 79-yard touchdown drive to take a 19-14 lead, which they never relinquished.

STAT OF THE GAME: USC kicker Chase McGrath made all five of his field goals and four extra points for 19 total points. The five three-pointers tied the record by a UNLV opponent (BYU's Owen Pochman in 1999).

REBEL OF THE GAME: Lightning struck at the Coliseum when Lexington Thomas ran for 136 yards on just 14 carries. It marked the senior's 13th career 100-yard effort, which ranks third in school history and moves him to within four of tying the Rebel record of 17 set by Mike Thomas in 1973-74.

REBELS RUSH PAST MINERS IN HOME OPENER

LAS VEGAS (UNLVRebels.com) -- UNLV (1-1) scored 24 second-quarter points to run away from visiting UTEP (0-2), 52-24, on a hot Saturday night at Sam Boyd Stadium.

Facing the Miners for the first time since 1993, the Rebels took their home opener by rushing for 414 yards and winning the turnover battle 3-0. It marked the first time UNLV hosted a team that was a member of Conference USA at the time of the game.

The Rebels produced two 100-yard rushers as running back Lexington Thomas went for 127 and two scores and quarterback Armani Rogers totaled 103 and one touchdown on the ground. Rogers also threw three touchdowns – all to different receivers – as UNLV twice built its lead to 35 points.

THE TURNING POINT: With both teams driving up and down the field early, UNLV held the Miners to a field goal, which kept the Rebels ahead 14-10. That allowed UNLV to eventually build a 38-10 halftime advantage.

STAT OF THE GAME: Four different UNLV running backs finished with at least 70 yards on the ground and all of them posted per-rush averages of at least 6.7 yards.

REBEL OF THE GAME: Armani Rogers completed only six passes but three of those went for touchdowns. He also rushed for 103 yards on just 10 carries.

REBELS DROP MOUNTAIN WEST OPENER

LAS VEGAS (UNLVRebels.com) - Combating swirling winds and the need to replace its starting quarterback, UNLV (2-3/0-1) opened Mountain West play by being thumped 50-14 by New Mexico (3-2/1-0) Saturday afternoon at Sam Boyd Stadium.

Gilliam completed 15 of 35 attempts for 123 yards, including two touchdowns, but was sacked five times. Receivers Brandon Presley and Darren Woods Jr. each found the end zone for the home team in the fourth quarter.

RALLY FALLS SHORT AGAINST AIR FORCE

LAS VEGAS (UNLVRebels.com) - Air Force's defense turned back UNLV's final drive of the night, which allowed the Falcons (3-4/1-3) to hold off the Rebels (2-5/0-3) in a wild 41-35 Homecoming final Friday night at Sam Boyd Stadium.

UNLV dropped its fourth straight despite building an eight-point lead in the second quarter and carrying a 21-20 advantage into the halftime. After forcing a punt for the first and only time, UNLV got the ball back and drove to the Air Force 30-yard line before Max Gilliam's pass attempt to Darren Woods Jr. was batted down on fourth down to end the threat.

Woods earlier caught two touchdowns while Brandon Presley grabbed one score. Senior tailback Lexington Thomas finished with 108 yards and two touchdowns on the ground. Senior safety Dalton Baker turned in a game-high 18 tackles while junior safety Javin White forced his fourth fumble of the season.

STAT OF THE GAME: Air Force scored on its first seven possessions in the game and punted only once.

REBEL OF THE GAME: Quarterback Max Gilliam set career highs with 26 completions on 38 attempts for 261 yards. He also tossed three touchdowns for the second consecutive week.

REBELS SEE DROUGHT IN SAN JOSE CONTINUE

SAN JOSE (UNLVRebels.com) - Freshman wide receiver Tyleek Collins' four touchdowns were not enough to keep UNLV (2-6/0-4) from losing its fifth straight game, 50-37 to San Jose State (1-7/1-3) at CEFCU Stadium Saturday. The Rebels have also lost five straight road trips against the Spartans.

Collins finished with 170 yards on nine catches and became just the fourth Rebel – and first rookie – to find the end zone four times via the pass. Quarterback Max Gilliam threw all four, which gave him 12 in the last four games since taking over for injured starter Armani Rogers. The sophomore also threw a career-high three interceptions, however, one of which was returned 50 yards for a touchdown.

Despite scoring first, UNLV fell behind 17-7 before Gilliam found Collins for a 75-yard score and then for a four-yard shovel pass to give the Rebels a 21-17 lead. SJSU, however, scored the next 21 points in the game to pull away.

THE TURNING POINT: UNLV had just captured all momentum late in the second quarter and looked ready to enjoy a halftime lead before the hosts traveled 74 yards in a minute's time to recapture the advantage with just 34 seconds left.

STAT OF THE GAME: UNLV star running back Lexington Thomas netted just 61 yards on the ground on 19 carries.

REBEL OF THE GAME: Tyleek Collins dazzled onlookers with his four touchdowns (75 yards, 46 yards, and twice from four yards), joining Devante Davis (2013), Henry Bailey (1994) and Nate Hawkins (1971) with four TD receptions in a game by a Rebel. His 170 yards were the 21st-most in a game by any UNLV receiver.

REBELS STUN AZTECS IN SAN DIEGO

SAN DIEGO, CA (UNLVRebels.com) - UNLV football (3-7/1-5) earned its first Mountain West win of the year by stunning San Diego State (7-3/4-2) with a come-from-behind, 27-24 victory on a cool but clear Saturday night at SDCCU Stadium.

The Rebels snapped a nine-game losing streak here as they last downed the Aztecs on their home field when the legendary John Robinson was head coach in 2000.

UNLV played inspired defense, holding SDSU standout running back Juwan Washington to just 66 net yards on 21 carries while intercepting two passes for the first time this season. However, the visitors still trailed 24-19 with under four minutes remaining when running back Lexington "Lightning" Thomas struck for a 75-yard, game-winning touchdown. After UNLV completed a two-point conversion to take a three-point lead, the hosts' attempt to move into field-goal range was thwarted when cornerback Jericho Flowers hauled in his first pick of the season and third of his career.

Evan Pantels nailed both of his field-goal attempts to give UNLV an early 6-0 lead. The Rebels led 13-7 before SDSU went ahead just before halftime with a short touchdown run on fourth down. UNLV, however, would score the game's final 14 points to secure the victory.

TURNING POINT: With SDSU leading 24-13 as the fourth quarter started, UNLV showed resiliency by staging an 11-play, 75-yard drive in 5:48 that was capped off by Max Gilliam's 10-yard touchdown pass to Brandon Presley. Even though the two-point conversion attempt failed, the drive kept the Rebels in the game and set up the late heroics.

STAT OF THE GAME: Not only did Lexington Thomas' 75-yard Lightning bolt win the game for the Rebels, it also broke Mike Thomas' 44-year-old school record for most career rushing touchdowns with 38. It also pushed Lex over the 100-yard mark for the 17th time in his career, which tied Mike Thomas' school mark for century-mark games.

HAWAI'I RALLIES PAST REBELS ON ISLANDS

HONOLULU (UNLVRebels.com) - Host Hawai'i (7-5/4-3) used big passing plays to score 22 points in the final 11 minutes of the game to rally past UNLV (3-8/1-6) Saturday night at Aloha Stadium.

The Rebels, who were looking to win road games against conference opponents in consecutive weeks for the first time since 1994, built a 21-3 lead in the first half and still led 28-13 in the final quarter before freshman Chevan Cordeiro took over at quarterback and threw the three TDs along with a two-point conversion. The Rebels saw their three-game winning streak against the Rainbow Warriors snapped after they looked to on their way to winning back-to-back trips to the islands for the first time in a series that dates back to 1969.

After starting QB Max Gilliam gave UNLV a 7-3 lead on a short TD pass to tight end Noah Bean, senior star running back Lexington "Lightning" Thomas found the end zone from 12 and then 45 yards out to build the 18-point advantage. On the second score, Thomas reached the 100-yard rushing mark, which allowed him to break the UNLV career record of 17 set 44 years earlier by two-time All-American Mike Thomas. He would finish with 129 yards on 28 carries.

THE TURNING POINT: UNLV was still in control midway through the fourth quarter when the Rebels faced a short fourth-and-one at the UH 44-yard line. The Warriors, however, stuffed Lexington Thomas on the play, took over on downs and scored the game-tying touchdown three minutes later.

STAT OF THE GAME: UNLV was zero for three on fourth-down attempts in the second half, which allowed UH enough time to stage its big rally.

REBEL OF THE GAME: Lexington Thomas scored two touchdowns, which made him the first Rebel in history to rush for 40 touchdowns in a career. In four meetings with Hawai'i, Lex averaged 112 yards rushing per game, which is the most vs. any Mountain West opponent.

REBELS' RECORD RALLY BRINGS CANNON HOME

LAS VEGAS (UNLVRebels.com) - Trailing 23-0, UNLV football (4-8/2-6) engineered the largest comeback in school history to stun arch-rival UNR (7-5, 5-3) 34-29 Saturday on Senior Night at Sam Boyd Stadium.

The Rebels' previous largest comeback was 21 points (done twice). UNLV took possession of the famed Fremont Cannon with its first win over the Wolf Pack in Las Vegas since 2004 in what was the final meeting between the programs before the Rebels move into the under-construction Las Vegas Stadium in 2020.

Sophomore quarterback Armani Rogers, making his first start since being injured September 22, was responsible for all five of his team's touchdowns, throwing for three and rushing for two, including the game-winner from three yards out with 2:34 left on the clock.

UNLV outscored UNR 34-6 after the first minute of the second quarter and junior linebacker/safety Javin White picked off Ty Gangi for the second time on the night at the UNLV 33-yard line to shut down the Pack's final drive with just over a minute remaining.

TURNING POINT: Trailing 23-0, UNLV faced a fourth-and-eight. Desperate for something positive to happen, the Rebels went for it and Rogers hit running back Lexington Thomas for a catch and run that ended up as a 38-yard touchdown that spurred a 21-point outburst.

STAT OF THE GAME: UNLV's defense, which had just one interception through the first seven games, picked off Ty Gangi three times Saturday night.

REBEL OF THE GAME: Armani Rogers threw three touchdowns in a game for the second time in his career. He completed 13 of 20 attempts for 172 yards and did not turn the ball over. He also rushed 14 times for 46 yards, including touchdown surges of 1 and 3 yards.nto the red zone.

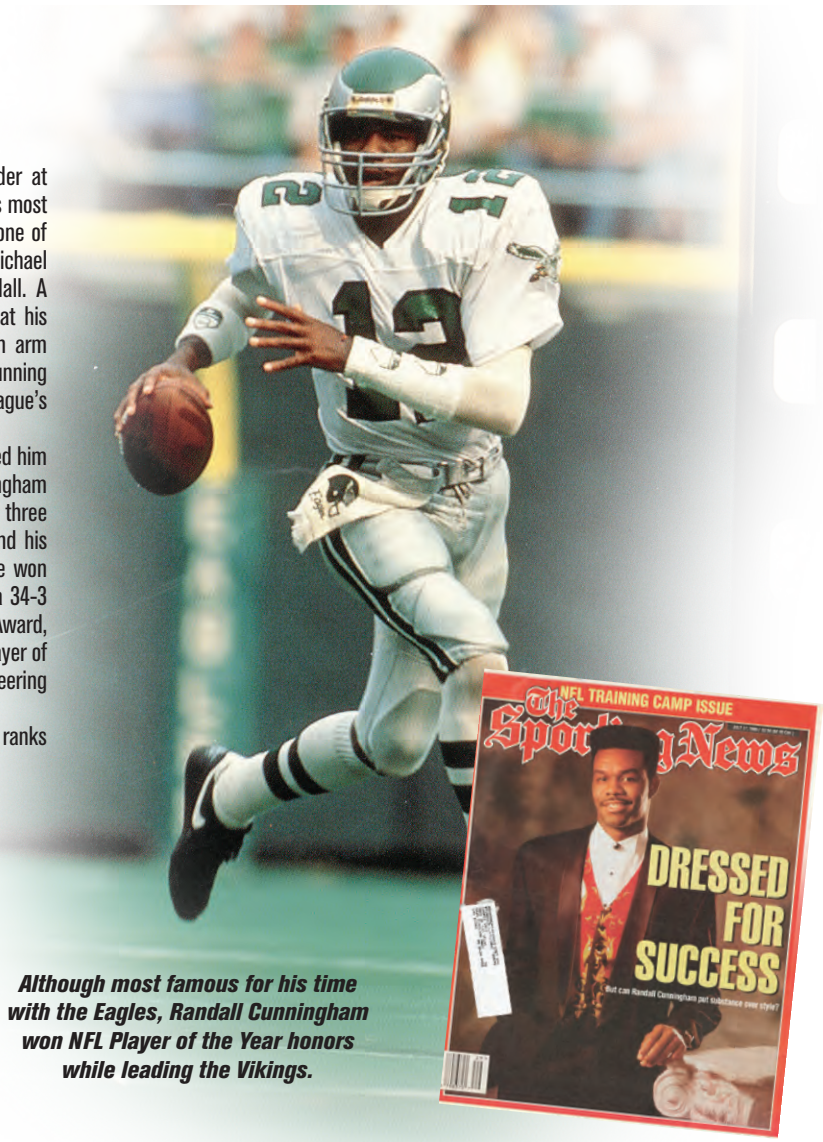
CUNNINGHAM HEADS UNLV'S NFL ALUMNI

Still the career passing and punting leader at UNLV, Randall Cunningham left his school as its most accomplished player and went on to become one of the top quarterbacks in NFL history. Before Michael Vick and Donovan McNabb there was Randall. A national figure who broke the racial barrier at his position, Cunningham augmented his cannon arm and booming punting leg by redefining the running ability of a pro quarterback and left as the league's all-time rushing QB with 4,928 yards.

Rising to stardom with the team that drafted him 37th overall in 1985 - Philadelphia - Cunningham went on to play 11 seasons with the Eagles, three with the Vikings, one with the Cowboys and his final two with the Ravens. The four-time Pro Bowl invitee won Most Outstanding Player honors in the 1989 game after leading the NFC to a 34-3 blowout. Joining Johnny Unitas as the only three-time winners of the Bert Bell Award, which goes to the league's top player, Cunningham was also named the NFL Player of the Year in 1998 after leading Minnesota to the league's best record and engineering what was the highest scoring offense in history.

The Las Vegas resident retired, symbolically, as an Eagle, in 2002 but still ranks in the top 50 in league annals in passing yards, TDs and completions.



Although most famous for his time with the Eagles, Randall Cunningham won NFL Player of the Year honors while leading the Vikings.

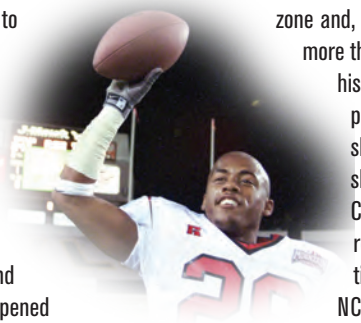
REMEMBERING "THE WONDER OF WACO"

Did it really happen? Did 1999's most memorable play in college football really take place on a muggy Sept. 11 night in Waco, Texas? Did UNLV really pull off something never before done to start 2-0 on the road for the first time in 25 years? Yes. Yes. And, surprisingly – no make that inexplicably, yes.



UNLV made history by becoming the first team to win a college football game on the last play while trailing and without the ball. And it all happened because of one team's intention to run up the score and another team's refusal to allow it.

Host Baylor was leading the Rebels 24-21 with eight seconds left when it ran a rushing play to attempt to score again instead of simply downing the ball to end the game. After Bears running back Darrell Bush was stood up at the one-yard line by the Rebel defense, LB Tyler Brickell managed to force a fumble.

DB Kevin Thomas picked up the ball in the end zone and, with no time on the clock, raced more than the length of the field to score his team's winning points as UNLV prevailed 27-24. The shocking video showed up on everyone's highlight show while UNLV announcer Tony Cordasco's now-famous radio call repeatedly played across the nation. It was only the third time in NCAA FBS history that a fumble had been returned 100 yards (interestingly, the second time came against UNLV at Rice just four games previous in 1998.)

In 2007, the play ranked 85th in ESPN.com's Top 100 Defining Plays in College Football History.

Tyler Brickell (No. 48) stripped Baylor RB Darrell Bush just outside the end zone.

Kevin Thomas (No. 28) picked up the fumble and sprinted 100 yards the opposite way.

OL Matt Murphy becomes UNLV's second player in as many years named to the Football Writers Freshman All-America Team.

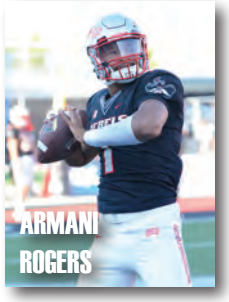
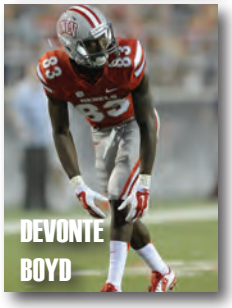
REBEL AWARD WINNERS

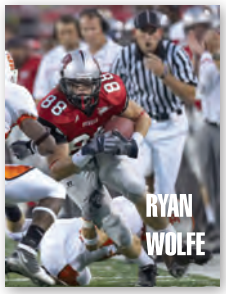


2017 MW FRESHMAN OF THE YEAR
Armani Rogers shattered UNLV QB rushing records while wowing fans with 780 yards and eight touchdowns on the ground as a rookie. He also threw for 1,471 yards and six more scores despite missing a quarter of the season with an injury.

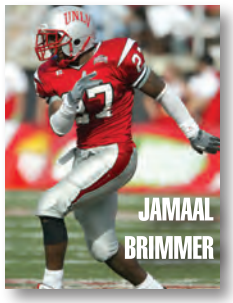


2014 MW FRESHMAN OF THE YEAR
Devonte Boyd went for 102 yards on six catches at Arizona in his first collegiate game -- and never looked back. He would go on to lead the nation in receiving yards during the regular season and his 65 catches and 980 yards shattered UNLV's freshman single-season marks. He later became the third Rebel named to the FWAA Freshman All-America Team.

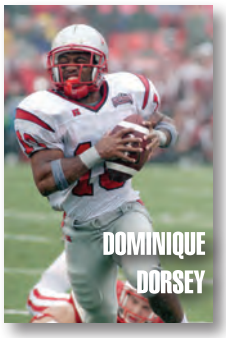
2007 MW DEFENSIVE PLAYER OF THE YEAR
Beau Bell was a dominant force on his side of the ball in 2007, leading the league with 126 total tackles and five forced fumbles to go with 9.5 TFL and 3 sacks. He also led the team with four interceptions, including one at Wyoming that he returned for his first career TD. Bell became the first player in MW history to be named defensive player of the week three times in one season and left UNLV ranked second in all-time tackles with 320. The fourth Rebel ever to be invited to play in the Senior Bowl, Bell had eight double-digit tackle games as a senior and went on to become the top draft pick of the Cleveland Browns.



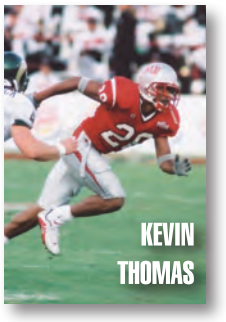
2006 MW FRESHMAN OF THE YEAR
Ryan Wolfe's first game as a collegian saw him catch six balls for 160 yards, including a 71-yard touchdown sprint. The rookie later proved it was no fluke when he hauled in nine receptions for a MW-freshman-record-tying 176 yards vs. New Mexico. He also posted 108 yards vs. Air Force to close the campaign. Named First Team Freshman All-America by the Football Writers Assoc. of America, Wolfe was UNLV's first first team all-conference receiver since 1997 after becoming the first freshman to ever lead the conference in receiving yards (911), which ranked 26th nationally.



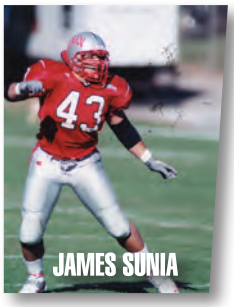
2002 & 2003 MW DEFENSIVE PLAYER OF THE YEAR
Hometown hero Jamaal Brimmer exploded onto the scene as a sophomore in 2002, including leading the MW with 17 tackles for loss and a squad-leading 5.5 QB sacks. Hence, he was the pick of both the coaches and media for league MVP honors in. One year later, his stats only improved as he led the league with six interceptions and four forced fumbles, which led to two key defensive scores. His eye-popping day in leading his team to an upset of Wisconsin got him national defensive player of the week honors and helped him become a semifinalist for the Thorpe Award and repeat as the consensus defensive MVP of his conference, despite being snubbed by MW coaches.



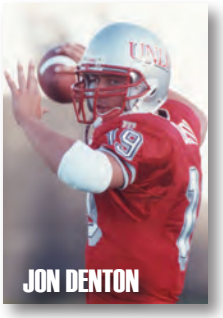
2001 MW FRESHMAN OF THE YEAR
'Nique the Streak burst on to the scene with a scintillating 87-yard kickoff return vs. Northwestern in his first career attempt. Nine returns later he had broken the school record for season average at 36.4. Despite injuries, he displayed similar bursts at tailback and led the team with a 6.6-yard average, including TD runs of 56 and 40 yards. Against UNR, he set a league rookie record by gaining 180 yards on just 18 carries.



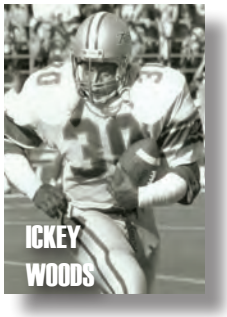
2001 MW DEFENSIVE PLAYER OF THE YEAR
The school's first Division I All-American on his side of the ball, cornerback Thomas wrapped up perhaps the finest defensive career in Rebel history by breaking the school and MW single-season record for interceptions with seven, leading the nation in both interception return yardage and defensive scoring after taking three balls back for touchdowns while also pacing the league in passes defended with 17.



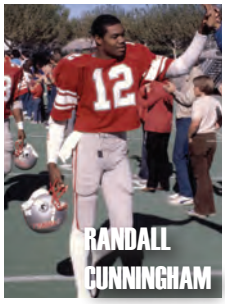
1998 WAC FRESHMAN OF THE YEAR (PACIFIC DIVISION)
A true Hawaiian warrior, Sunia became the first freshman in school history voted team captain and went on to start all 11 games at MLB. Named First Team Freshman All-America by Football News after leading his team with 115 total tackles, Sunia would gain 119 takedowns a year later but spend his final two seasons suffering from various injuries that would keep him from breaking UNLV's career tackle record.



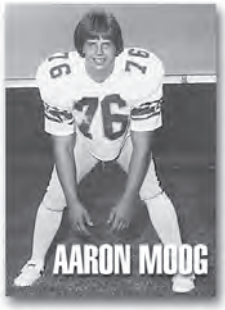
1996 WAC FRESHMAN OF THE YEAR (MOUNTAIN DIVISION)
Turning in arguably the best season by a freshman QB in FBS history, Denton shattered 10 NCAA freshman records and 10 other school marks for a team that won only one game. His nine 200-yard passing games included a school-record 503-yard performance vs. SDSU while his 3,591 yards and 25 TDs passing were NCAA single-season records for a frosh. On pace to shatter every conceivable UNLV passing record, the DENTON-ATOR would play only one more season before transferring to Eastern Kentucky.



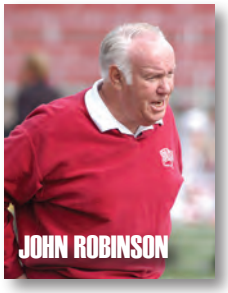
1987 PCAA OFFENSIVE PLAYER OF THE YEAR
Saving the best for last, Elbert "Ickey" Woods gained only 267 yards his first three seasons. As a senior he proceeded to lead the nation in rushing with 1,658 yards on 259 carries (6.4 YPC) and put in 10 touchdowns. He tied a school record with seven consecutive 100-yard games, including an incredible three straight over 200.



1983 & 1984 PCAA OFFENSIVE PLAYER OF THE YEAR
The first two-time league MVP for the Rebels, Randall Cunningham was an All-American punter and future NFL star at quarterback. The school's career passing leader threw for 2,545 yards, 18 TDs and only 8 INTs in 1983 and followed that up with 2,628 yards, 24 TDs and 10 INTs in a senior campaign that saw his team finish 11-2, including winning the PCAA title and California Bowl. The next spring, he would be drafted by the Philadelphia Eagles with the 37th pick and go on to a sterling 15-year pro career.



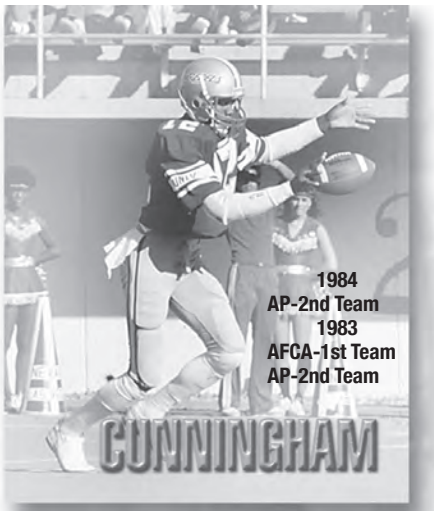
1984 PCAA CO-DEFENSIVE PLAYER OF THE YEAR
The complete package along the line with superb speed, agility and aggressiveness, Moog led one of UNLV's best-ever defenses by totaling 63 tackles, including six for loss, six sacks and three pass breakups. The Rebels flirted with the national rankings by winning their first league title and bowl championship en route to an 11-2 overall mark.



2000 MWC CO-COACH OF THE YEAR
Just a year after taking over a program that posted its first-ever winless season, Robinson led the Rebels to their most wins since 1984 (8-5) and victory over Arkansas in the Las Vegas Bowl. Despite the amazing turnaround, Robinson shared his award with MW champion Colorado State leader Sonny Lubick.

1994 BIG WEST CO-COACH OF THE YEAR
Under a first-year head coach, the Rebels rebounded from a 3-8 record to shock the league and earned a three-way tie for the Big West championship with a 5-1 record. Winning the tiebreaker, UNLV earned the Las Vegas Bowl bid and crushed Central Michigan 52-24. Horton shared his award with Pacific head man Chuck Shelton.

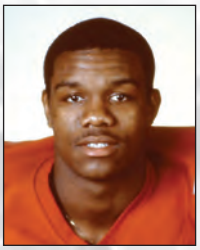
1984 PCAA COACH OF THE YEAR
The most successful Rebel squad since moving to division one, Hyde's 1984 Rebels were 11-2 overall and 7-0 in the Pacific Coast Athletic Association. The season, which culminated with a 30-13 victory over Toledo in the California Bowl, also produced the school's first league coach of the year award.

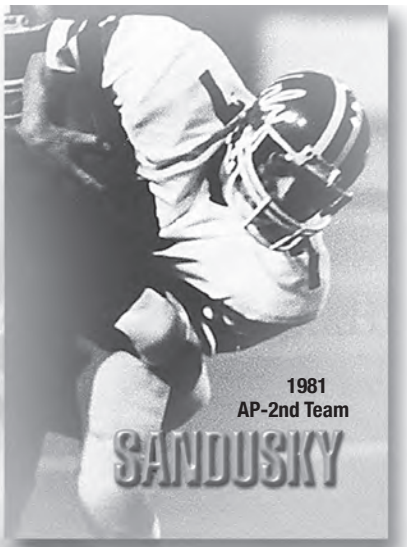


RANDALL CUNNINGHAM

Punter/Quarterback

Although he is now known for being the NFL's all-time leading rushing quarterback for many years, Santa Barbara, Calif., native Randall Cunningham (1981-84) won his national collegiate honors at his other position – punter. Still the Rebels' leader for punting average in a game (58.0), season (47.5) and career (45.6), Cunningham would own the second-best career punting average in college football history if he had punted just eight more times during his three years on the field. Touted as a Heisman Trophy candidate for his lethal combination of talent throwing, running and punting the ball, Cunningham was named first team All-America in 1983 (as well as honorable mention QB by AP) and second team in 1984, making him UNLV's first two-time All-American since the school moved to Division I in 1977. He would go on to be the 37th pick in the 1985 NFL Draft by the Philadelphia Eagles and was named the 1998 NFL Player of the Year as a Minnesota Viking QB.





JOE INGERSOLL

Defensive Lineman

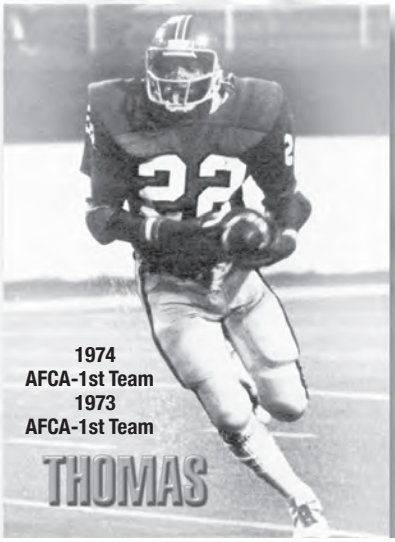
One of only four repeat All-Americans in UNLV history, Joe Ingersoll (1973-75) also was the first defensive player from the Rebels so honored. The Salt Lake City native played his freshman year at Utah before transferring to the desert and performing as a dominant defensive lineman for three years. As a junior, "Big Joe" led the undefeated 1974 UNLV team in tackles with 105, including four sacks, and was tabbed an AP Div. II Second Team All-American. As a senior, the terrific tackle earned first team honors from the AFCA and would go on to become a seventh round choice by the Miami Dolphins in the 1976 NFL Draft. In 1987, Ingersoll was a member of the inaugural UNLV Athletics Hall of Fame.

JIM SANDUSKY

Wide Receiver

Although his UNLV career was brief, San Diego native Jim Sandusky (1981) turned in the greatest receiving year in school history during his one year on campus.

Catching balls from the arm of QB Sam King as part of head coach Tony Knap's free-wheeling offense, Sandusky hauled in 68 passes (17 more than any previous Rebel) for 1,346 yards, which is still a school record. Despite playing in only 12 games, Sandusky remains tied for second at the school with eight career 100-yard receiving games. Such output would earn him Second Team All-America honors. However, with Knap retiring, Sandusky would transfer to San Diego State and go on to a distinguished career in the NFL and Canadian Football League.

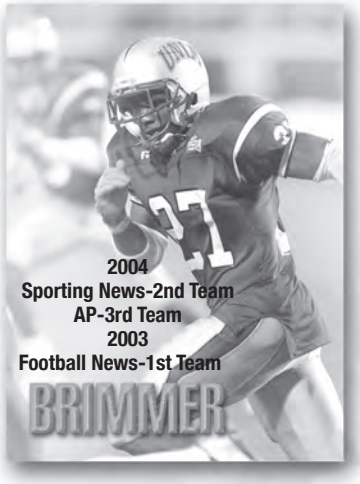


MIKE THOMAS

Running Back

The bluest of Blue Chip recruits out of Greenville, Texas, Mike Thomas 1973-74, signed on with the University of Oklahoma but soon left Norman to ride his way West and right into the Rebel – and national – record books. His two seasons in Las Vegas were nothing less than stunning. As a junior in 1973, he scored a school-record 20 touchdowns and led the nation in rushing yards with 1,741, which was just 35 short of the then-NCAA single-season record. A year later, Thomas added 1,408 yards and 17 rushing scores to lead the Rebels to their only undefeated regular season and a Div. II ranking as high as No. 2 before losing in a national semifinal game. His still-UNLV-best career totals were 3,149 yards and 37 TDs born from a 6.6-yards-per-carry average. Both seasons resulted in AFCA First Team All-America nods for UNLV's first true football star to make him the only two-time first-teamer in Rebel history. Thomas would go on to complete a fine NFL career with the Washington Redskins and San Diego Chargers.

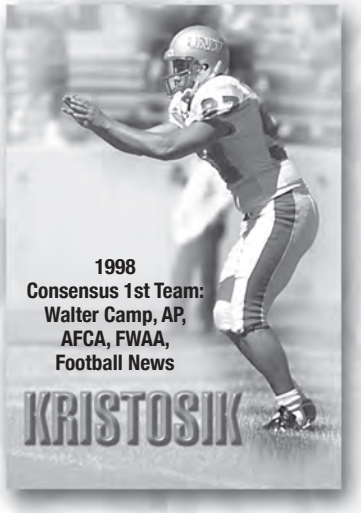
JAMAAL BRIMMER Safety



The first non-senior to earn All-America at UNLV since Randall Cunningham in 1983, Jamaal Brimmer (2001-04) also became the first non-punting first team honoree for the Rebels since 1975. The hometown hero introduced himself to the nation early in the season with the greatest single defensive performance in school in leading his team to a major upset at Wisconsin on national TV. Brimmer's phenomenal day, which included 11 tackles, two interceptions, one fumble return for a TD and two quarterback sacks, earned him the Bronko Nagurski National Defensive Player of the Week honors. The free safety, who would be voted the school's first two-time consensus league MVP in his career, led the MW with six interceptions and four forced fumbles to go with three sacks and four fumble recoveries in 2003. The first UNLV semifinalist for the Jim Thorpe Award became the school's first two-time All-American since Cunningham with nods from AP and The Sporting News as a senior. That followed being named a community service All-American as a member of the 2004 AFCA Good Works Team.

JOE KRISTOSIK Punter

Joe Kristosik (1995-98) was a bright light through the program's only winless season in 1998. He walked on to his hometown team in 1994 and five years later walked away as the school's first and only consensus First Team All-American. Kristosik was the first Rebel booter to lead the nation in punting with a 46.2-yard average, which was the second-highest in NCAA history with a minimum of 75 attempts. Along the way, he turned in perhaps the greatest performance ever by a collegiate punter when he had 13 tries at BYU with eight going longer than 50 yards and a stunning four traveling at least 60 yards, including two season-long kicks of 67 yards. Kristosik became the first-ever UNLV member of the prestigious Walter Camp Football Foundation team. Kristosik was inducted into the UNLV Athletics Hall of Fame in 2008.

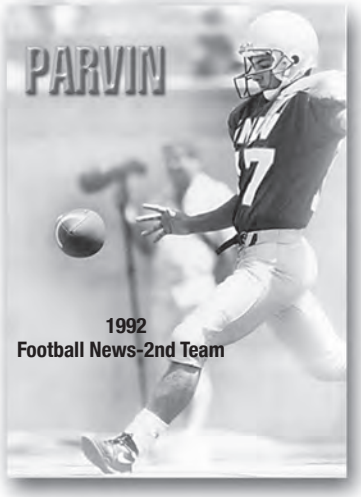


KEVIN THOMAS Cornerback

Making a strong bid as being the best defensive player in school history, Kevin Thomas (1998-2001) turned on the gas to close out his stellar career and become the first Rebel on his side of the ball to earn All-America since 1975. Holder of various school and conference records, KT came to Las Vegas from Sacramento as a scrawny and unheralded defensive back but left as one of the best cover men in the nation en route to being tabbed third team All-America by Football News and fourth team by The Sporting News. The second three-time first team all-conference player in Rebel history, his seven picks as a senior broke the UNLV and MW record for a single season as he led the nation in interception return yardage (213) and defensive scoring (18 points). An iron man who never missed a start in four seasons (UNLV-record 46 overall), his six career touchdowns highlighted a school-record 55 career pass breakups. The Jim Thorpe candidate and MW Defensive Player of the Year played in both the Senior Bowl and East-West Shrine Game before being selected by the Buffalo Bills in the NFL Draft. Thomas was inducted into the UNLV Athletics Hall of Fame in 2012.

BRAD FAUNCE Punter

A transfer from Glendale (Calif.) Junior College, Brad Faunce (1993-94) used his powerful leg to post an impressive two-year career at UNLV. His junior season included a 45-yard punting average that earned him Second Team All-America honors. Also the squad's kickoff man in 1994, Faunce's memorable 91-yard punt vs. UNR was not only a school record, but also helped the Rebels upset the Wolf Pack to win the Big West Conference title and a berth in Las Vegas Bowl III.



BRIAN PARVIN Punter

Brian Parvin (1991-92) became UNLV's first All-American in seven years when he was named to Football News' second team as a senior. A transfer from Mt. San Antonio Junior College in Walnut, Calif., Parvin turned in a fine junior campaign with a 41.9-yard punting average, which was good for 18th in the nation. His senior year, however, produced the second-highest season number in school history with 46.3 – the third-best average in the nation in 1992.

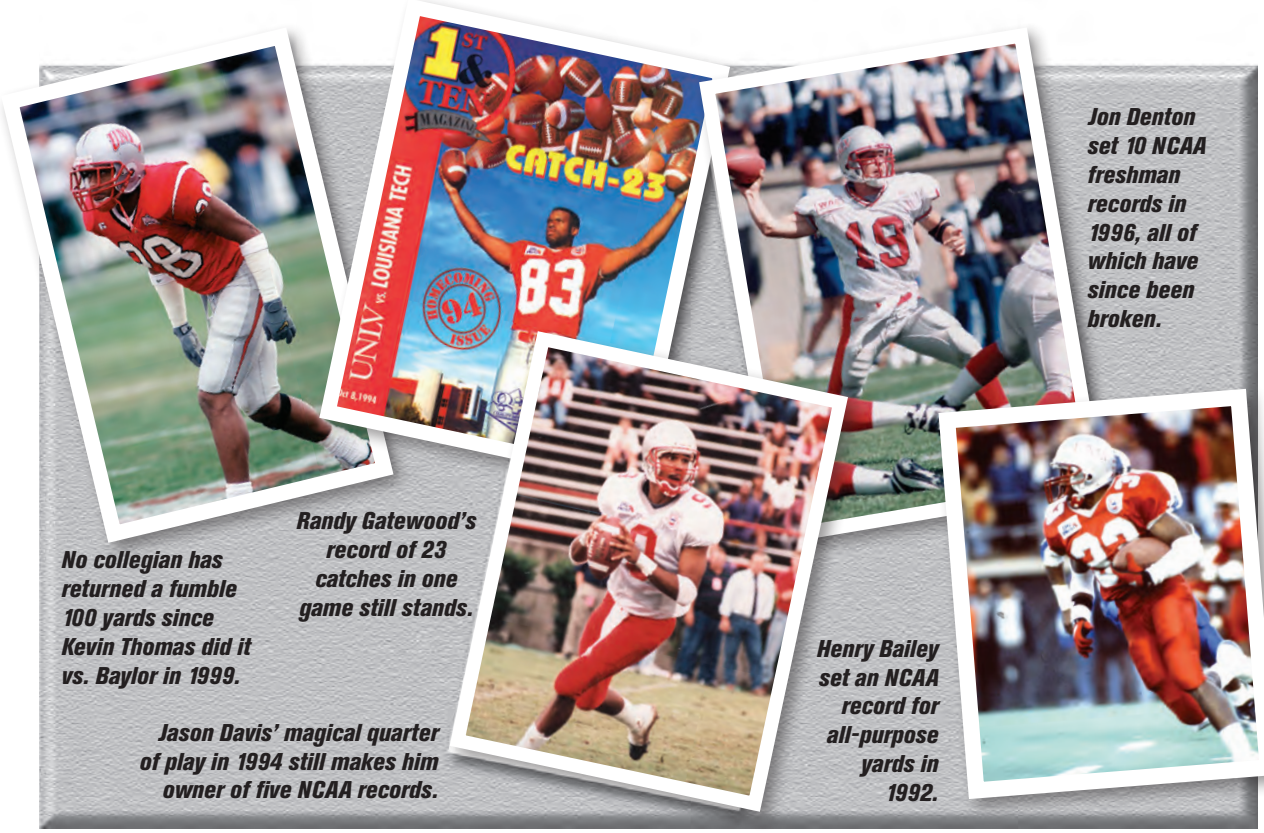
WESTERN ATHLETIC

UNLV holds no WAC team or individual records.



Jon Denton set 10 NCAA freshman records in 1996, all of which have since been broken.

Randy Gatewood's record of 23 catches in one game still stands.

No collegian has returned a fumble 100 yards since Kevin Thomas did it vs. Baylor in 1999.

Jason Davis' magical quarter of play in 1994 still makes him owner of five NCAA records.

Henry Bailey set an NCAA record for all-purpose yards in 1992.

A pioneer in Rebel Athletics, Bill Ireland was UNLV's first football coach and helped shape the school's entire athletic department. After posting four winning seasons in his five years on the field, including an 8-1 record in his first campaign, Ireland stepped down to serve as UNLV's Director of Athletics from 1973-1980. He went on to serve as the executive director of the UNLV Hall of Fame and as an executive consultant for the Las Vegas Bowl. Ireland passed away July 31, 2007, at the age of 80.

TONY KNAP
(1976-81)

Serving longest as the head man for the Rebels, Tony Knap came to UNLV from Boise State in 1976. In his six seasons, Knap led the Rebels to an NCAA Division II playoff appearance in 1976, a move to the Division I level in 1978 and a stunning road upset of No. 8 Brigham Young in 1981, perhaps the greatest game in school history. Still the winningest coach in UNLV history, Knap retired to his home state of Washington where he passed away in 2011.

Leading the Rebels into conference play for the first time was four-year coach Harvey Hyde. Then called the Pacific Coast Athletic Association, the Big West welcomed UNLV in 1982. Hyde also led the Rebels to their first bowl appearance when UNLV downed Toledo 30-12 in the 1984 California Bowl. Hyde is currently a sports radio personality in both Las Vegas and Southern California.

JOHN ROBINSON
(1999-2004)

A former coach at USC and the NFL's L.A. Rams, John Robinson took over UNLV in 1999. A year later he earned MW Coach of the Year honors with an 8-5 record and Las Vegas Bowl victory. He later became the first Rebel coach to also serve as athletics director at the same time (2002-03). After retiring with the second most wins in school history, he continued his career in broadcasting. In 2009 he became the first Rebel head coach or player voted into the College Football Hall of Fame and in 2011 was a member of the inaugural class of the Las Vegas Bowl Hall of Fame.

MIKE SANFORD
(2005-09)

Mike Sanford came to the Rebels from Mountain West rival Utah after he had coordinated the Utes' record-setting offense for two years under Urban Meyer. A former quarterback at USC, Sanford replaced his former college coach, John Robinson, at UNLV on Dec. 6, 2004. He spent five seasons in Las Vegas, which tied for the third longest coaching stint in Rebel football history. After a stint as head coach at FCS school Indiana State, he was on staff at Western Kentucky before retiring from coaching.

BOBBY HAUCK
(2010-14)

Bobby Hauck was hired as UNLV's 10th head coach in history on Dec. 23, 2009, after compiling a stunningly successful record at FCS power Montana. Hauck's one winning season in Las Vegas saw the Rebels earn their first bowl bid in 13 years and play on New Year's Day in the Heart of Dallas Bowl staged at the historic Cotton Bowl Stadium. After three years at San Diego State, he is now back serving as head coach at Montana.

TONY SANCHEZ
(2015-SA)

Tony Sanchez did not have to move far when he was hired by UNLV as only the fifth high school coach to move directly to the head job at an FBS-level school. Sanchez built national powerhouse Bishop Gorman across town and was fresh from winning the national championship with the Gaels. He went on to become just the fifth Rebel head man to win the Fremont Cannon in his first appearance against the Wolf Pack.

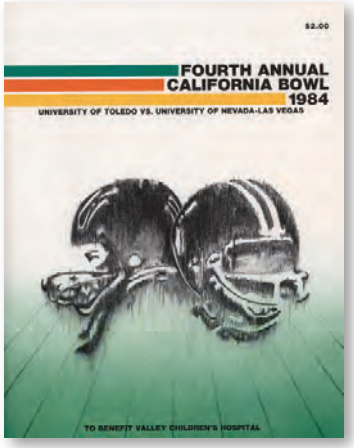
Sanchez's Rebels painted the Fremont Cannon red for the second time in four years in 2018.

Still the winningest team in UNLV Division I history at 11-2 overall, the 1984 squad earned the school its first bowl bid and went on to beat Toledo 30-13 in the California Bowl.

The first Big West team to ever win seven league games, Coach **Harvey Hyde**'s Rebels lost only a close game at Hawaii and to 10th-ranked SMU in the regular-season finale, the night **Randall Cunningham**'s No. 12 jersey was retired at halftime.

Not surprisingly, UNLV swept the league's postseason honors with Offensive Player of the Year Cunningham, Defensive Co-Player of the Year **Aaron Moog** and Coach of the Year Hyde.

UNLV took on an 8-2-1 Mid-American Conference Champion Toledo squad in the fourth California Bowl in front of a national ESPN audienceand the Rebels won impressively, 30-13.



UNLV broke the game open with 17 third-quarter points led by Cunningham's passing and the running of a freshman from Fresno named **Elbert "Ickey" Woods**. Cunningham's 270 yards through the air helped him earn MVP honors. Just a few months later the lanky QB became a second-round choice of the Philadelphia Eagles in the 1985 NFL Draft. Woods went on to lead the nation in rushing in 1987 with 1,658 yards before "shuffling" off to Cincinnati as a second-round pick in 1988.

The team reunited in 2012 as it was inducted into the UNLV Athletics Hall of Fame.

California Bowl MVP Randall Cunningham threw for two touchdowns and ran for another.

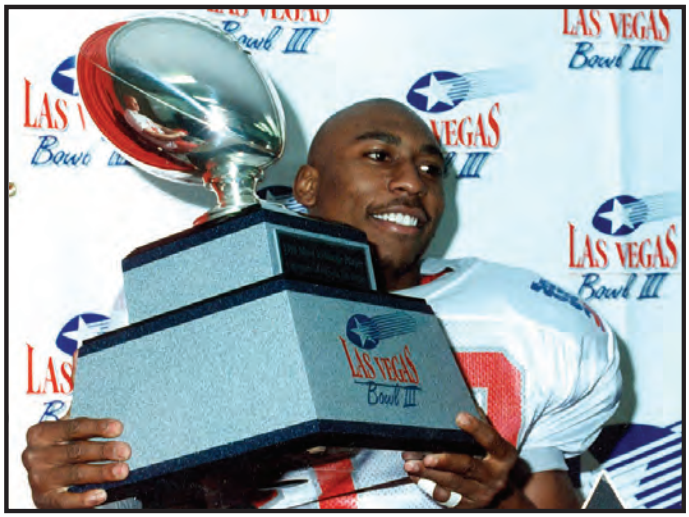
Appearing in its first bowl game in a decade, UNLV blasted Mid-American Conference opponent Central Michigan in the second meeting of the year between the two clubs.

Playing it up for a national television audience on ESPN, the Rebels (7-5), who racked up 589 yards in offense (the most by any '94 bowl team) jumped out to a quick 14-0 lead over the Chippewas (9-3). Not even two minutes had passed in the first quarter when **Henry Bailey**, the Rebels' career receiving leader, exploded for a 46-yard touchdown reception from **Jared Brown**. The strike was the first of four UNLV touchdowns longer than 30 yards on the night. After the Chips pulled to 14-10, the Rebel offensive machine continued to roll and UNLV pulled away for good on a 15-yard fumble return for a TD by defensive end **Keith Washington**.

UNLV eventually cruised to a 52-10 lead before clearing the bench. Las Vegas Bowl III MVP Bailey, soon to be a Pittsburgh Steelers draftee, rushed for 79 yards on seven carries with three TDs, and accumulated 101 yards receiving with one score. Sophomore RB **DeJohn Branch** had a sparkling performance, carrying the ball 13 times for 125 yards, and Brown finished the game 11-for-21 for 195 yards with two TDs and 32 yards rushing. UNLV coach **Jeff Horton** was named the Big West Conference Co-Coach of the Year for turning a 3-8 team in '93 into league and bowl champions in his first season.

The 1994 team was inducted into the UNLV Athletics Hall of Fame in 2010.

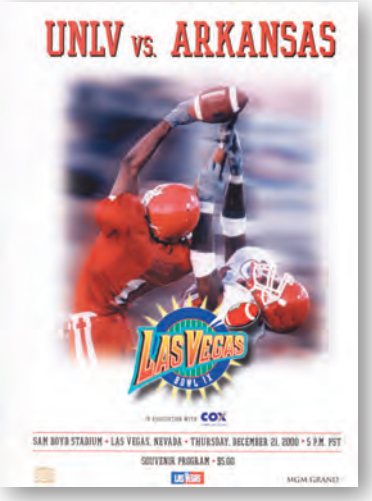


Henry Bailey's four touchdowns helped him run away with MVP honors.

REBEL BOWL HISTORY

Playing before a national ESPN2 audience and a Las Vegas Bowl-record 29,113 fans, UNLV (8-5) won its fourth straight for the first time since 1984 and moved to 3-0 all-time in bowl games with a surprisingly one-sided 31-14 victory over Arkansas (6-6), the Rebels' first over a team from the powerful Southeastern Conference.

UNLV quarterback **Jason Thomas** earned MVP honors by completing 12 of 17 pass attempts for 217 yards and three scores without an interception as well as rushing for 32 yards on 10 carries. Thomas' favorite target was **Nate Turner**, who ended his career with 126 yards on eight catches – all in the first half. **Jeremi Rudolph** gained 92 yards on 14 carries and **Kevin Brown** had 78 on 13 attempts. Arkansas, which was fresh from two consecutive victories over ranked SEC opponents to become bowl eiligible, opened the scoring with the only points of the first quarter. UNLV answered with a Thomas-to-Turner 19-yard pass, which was the first TD given up by the Razorbacks in 11 quarters. Two minutes later the Hogs used **Robby Hampton**'s second scoring throw of the game to take a 14-7 lead. UNLV, however, struck again to square things before halftime with a five-yard Turner TD. Things stayed tied until with just over two minutes left in the third, Thomas found **Troy Mason** with a stunning 54-yard TD strike that was the second longest in bowl history. After a **Dillon Pieffer** field goal put UNLV up 24-14, the Razorbacks elected to go for it on fourth and 10 from the Rebel 37 with more than 12 minutes remaining. The UNLV defense forced an incompletion and the inspired Rebels eventually closed their shocking 24-point scoring run with an 18-yard Brown run. The Rebels out-gained the bigger Hogs, who had defeated seven straight non-conference opponents and were 6-0 vs. MW teams, 476 to 298. UNLV also held its opponent to under 200 yards rushing (115) for the 12th time in 2000. The Rebels, who moved to 2-0 in Las Vegas Bowls, earned their most victories in a season since 1984 and finished the season a perfect 6-0 at Sam Boyd Stadium. Head Coach **John Robinson** improved to 8-1 in bowl games during his career, which made him the winningest bowl coach in NCAA D-I history with a percentage of .889. "This is particularly gratifying because our guys were at their best," Robinson said during the post-game celebration.



MVP Jason Thomas (center) threw for 217 yards and three touchdowns.

It's certainly been a long road for UNLV. This time, traveling more than 1,200 miles to the Heart of Dallas Bowl presented by PlainsCapital Bank and a de facto home game for North Texas proved to be too much for a rising Rebel program, which lost 36-14 on Wednesday afternoon at Cotton Bowl Stadium.

North Texas (9-4), located just 44 miles north of Dallas on Interstate 35E, opened up a game that was tied 7-7 at intermission with physical play on both sides of the ball. The Mean Green scored 22 fourth-quarter points to hand UNLV (7-6) its first bowl loss in four appearances.

UNLV had been up the challenge on the road three times this year, winning as many road contests in 2013 as it had in the previous eight seasons combined. That helped a 2-11 team become one that won seven games, making one of the nation's biggest turnarounds.

Things looked good early on for the Rebels (7-6). Absent from a bowl game for 13 years, UNLV put points on the board on its opening possession.

Pinned deep after a North Texas punt, the Rebels took the ball 95 yards, slicing through the Mean Green defense on just eight plays. Senior quarterback **Caleb Herring** was a perfect 5-for-5 for 59 yards on the drive and found **Marcus Sullivan** in the end zone for the score.After forcing a quick 3-and-out, UNLV's **Keith Whitely** muffed the ensuing punt, giving the Mean Green possession on the Rebels' 42-yard line. It was a momentum changer, as eight plays later **Antoinne Jimmerson** scored on a 1-yard touchdown run to tie the score, 7-7, with 1:47 remaining in the first quarter.

UNLV never got back on track offensively, and didn't score again until **Jerry Rice, Jr.**, hauled in a Herring pass with 4:56 left in the game that cut North Texas' lead to 28-14.

The Rebels averaged better than 30 points per game on the year and hadn't been held under 24 points in any of its past five contests.

For the game, North Texas outgained UNLV 397-262. **Tim Cornett,** the Rebels' all-time leading rusher, was bottled up (33 yards on 12 carries) all afternoon.

UNT also converted 10 of 17 third-down opportunities, including 9 of 11 chances in the second half. That kept the UNLV defense on the field for more than 35 minutes.

Houston native **Devante Davis**, one of the nation's leading pass catchers, registered 10 catches for 96 yards in his return to the Lone Star State.

Devante Davis' 10 receptions against UNT were the most by a Rebel in a bowl game.

With enrollment more than doubling the last decade, the tremendous growth has meant a flurry of construction resulting in a campus setting boasting academic and athletic facilities second to none.

Steadily becoming a traditional residential university, UNLV provides on-campus housing for more than 2,000 students. A variety of student clubs and organizations along with 36 Greek organizations supplement the social development of students.

From within its 16 schools and colleges, including the William S. Boyd School of Law and the new UNLV School of Medicine, UNLV is also becoming a leading research institution of the West. The school's scientific, social science, and business programs attract millions of dollars in research grants annually to fund projects in desert biology, nuclear waste transportation, laser physics, public opinion surveys and many others.

In addition to traditional student programs, UNLV serves diverse local, national and international communities through its Educational Outreach Division, offering Summer Term, Continuing Education and Distance Education programs enrolling more than 53,000 students annually.

With its Performing Arts Center, the campus is the cultural hub of Southern Nevada. World-class orchestras and soloists, dance and theater arts combine to provide a broad selection of concerts and stage productions.

The Barrick Lecture Series and several campus organizations bring noted speakers to the University, and local and visiting artists show their works in the Donna Beam Fine Art Gallery. UNLV has excellent athletic facilities as well, many open for student and public use.

Opened in 1957 as the southern regional division of the University of Nevada with a total of 28 students, UNLV now is home to more than 30,000 students coming from every county in Nevada, all 50 U.S. states and 88 countries. Much of UNLV's tremendous expansion is the result of support from the Nevada Legislature and the state's taxpayers. Private donors have played an important role as well. These gifts support new facilities and programs and, most important, provide the scholarship incentives that bring Nevada's best and brightest student scholars to campus.

UNLV operates an on-campus Center for Business and Economic Research, Center for Economic Education, Harry Reid Center for Environmental Studies (in cooperation with the U.S. Environmental Protection Agency), Desert Biology Research Center, Center for Survey Research, Nuclear Waste Transportation Research Center and other research and public-service centers.

Offering more than 200 undergraduate programs and 145 graduate tracts, UNLV graduated a class of over 5,000 last year. The University operates on a semester system and is a member of the American Association of State Colleges and Universities, the Council of Graduate Schools, the American Council of Education and the Western College Association. All of the University's academic programs are fully accredited by the Northwest Association of Schools and Colleges, and many programs have received further accreditation from independent national accreditation bodies.

STATE BOARD OF REGENTS

Desiree REED-FRANCOIS

Since arriving in Las Vegas as the Director of Athletics in June 2017, Desiree Reed-Francois has led a transformation of UNLV Athletics, creating significant culture change in order to best serve the department's 17 varsity sports.

Reed-Francois, the first Hispanic female and woman of color athletics director at the FBS level, was instrumental in installing a new student-athlete focused model with collectively established core values. A former student-athlete at UCLA (club rowing), Reed-Francois is a strong advocate for student-athletes and understands the importance of leadership development and mentorship in ensuring their future success.

Focusing on providing a first-class holistic student-athlete experience, Reed Francois instituted a new administrative structure with staff additions and has recruited three new head coaches. Innovative student-centered programs and a renewed focus on academic achievement led to collective student-athlete grade point averages of 3.0 or greater in each of the last four semesters - firsts in the history of UNLV Athletics. The department's most recent cumulative GPA of 3.09 was also a record high.

Under Reed-Francois, with a focus on building a solid fiscal foundation and business operation, the department's finance office was rebuilt and the budget has been successfully balanced in both of her first two years at UNLV. Additionally, the Rebel Athletic Fund's Drive for 5 campaign, launched in Spring 2018, has resulted in a 30% increase in the number of donors and boosted the annual fund total.

In September 2018, Reed-Francois announced the largest corporate commitment in UNLV Athletics' history - a $5 million gift from Boyd Gaming Corporation. In May 2019, a strategic partnership with the Andre Agassi Foundation for Education was announced, furthering the development of the Center for Student-Athlete Excellence and helping to close out the 2018-19 year having raised a record in corporate philanthropy.

In 2017, Reed-Francois announced a 10-year multimedia rights relationship with Learfield, the largest from a revenue perspective in the Mountain West Conference. Later that year she oversaw the consolidation of the Athletics Department's operations with that of the Thomas & Mack Center, increasing the scope of the enterprise by hundreds of employees and millions of dollars. In January 2018, UNLV broke ground on the new, $34 million Fertitta Football Complex, which is scheduled to open in Fall 2019, and she was instrumental in successfully negotiating the Joint Use Agreement with the NFL's Oakland Raiders for UNLV's use in the new $1.8 billion Las Vegas Stadium, opening in August 2020. Overall, UNLV Athletics is currently involved in facilities projects totaling $2.044 billion.

With an emphasis on strategic marketing, many UNLV sports programs have witnessed a rise in attendance. On the fields, courts, tracks and courses of competition, UNLV captured a Mountain West leading five team championships in 2017-18, highlighted by the first indoor track and field championship in program history and first MW title in women's basketball. The fan experience has also been a point of emphasis under Reed-Francois, with consistent surveying and year over year improvements. In 2018-19, new state-of-the-art videobards were installed in the Thomas & Mack Center, and added for the first time to Cox Pavilion and Wilson Stadium (baseball). In addition, UNLV's tennis programs have an electronic scoreboard for the first time.

Under Reed-Francois' leadership, UNLV Athletics has demonstrated a commitment to diversity, reflective of UNLV's campus. In her first year, 70 percent of the department's new hires were people of color or women, while 63 percent were former student-athletes. Additionally, UNLV instituted new mental health and nutrition programs and adding the department's first full-time psychologist and first full-time nutritionist. The Rebels Go Pro jobs initiative was also introduced and has increased student-athlete employability upon graduation to a high of 75% - up nearly 50% in two years. The new Rebels Give Back community service program also debuted, resulting in 1,241 hours in its first year.

Reed-Francois came to UNLV with more than two decades of experience in athletics administration, most recently serving at Virginia Tech as executive associate athletics director and later as deputy athletics director. As second-in-command to the athletics director, she was responsible for external relations and day-to-day operations for 22 sports, more than 600 student-athletes, and 14 facilities. An administrator with an eye toward balancing the complex external and internal facets of a Power Five athletics department, she partnered on budget development for all athletics units at Virginia Tech, prepared the department's facilities master plan, redesigned fundraising strategy, and revitalized the university's student-athlete success program.

Under her leadership, overall ticket, marketing, and licensing revenue rose by more than 20 percent from 2015-17 and the institution secured the largest corporate development gifts in program history. Season tickets sold out for football and there were marked attendance increases in men's and women's basketball, baseball, soccer and softball. At Virginia Tech, Reed-Francois was one of just four women in the nation responsible for day-to-day operations of a Power Five football program and helped orchestrate the highest attended football game in history in 2016 when Virginia Tech and Tennessee met in front of more than 156,000 fans at Bristol Motor Speedway.

Working closely with Virginia Tech athletics director Whit Babcock, Reed-Francois was instrumental in the recruitment and hiring of current Hokies head football coach Justin Fuente (2016 ACC Coach of the Year) and coaches for women's basketball, lacrosse, volleyball, and wrestling.

Prior to Virginia Tech, Reed-Francois spent two years at the University of Cincinnati as senior associate athletics director and senior woman administrator. There, she was a member of the executive staff whose duties included external affairs, football oversight and negotiation of the university's contract with the Cincinnati Bengals for use of Paul Brown Stadium during a campus stadium renovation. She also served for a period in 2014 as interim athletics director.

During her career in athletics administration, Reed-Francois has also worked at the University of Tennessee, California State University-Fresno, Santa Clara University, San Jose State University, the University of California Berkeley, and the University of San Francisco. At Tennessee, she was the first female administrator in SEC history to oversee men's basketball. Her work has covered athletics compliance, program oversight, budget management, brand development and marketing, strategic planning, major gifts cultivation, contracts and legal counsel, student-athlete services, and facilities management

Before working in college athletics, Reed-Francois was a practicing lawyer and spent time as a legal associate for the Oakland Raiders and the NFL's Management Council.

Reed-Francois earned a bachelor's degree from UCLA and a juris doctorate from the University of Arizona College of Law. She is a member of the State Bar of California and taught law classes at the University of Tennessee and at Santa Clara University.

She is heavily involved in athletics administration at the national level, participating in the Division I Athletics Directors Leadership Institute and Fellows Program, Lead1, the Women Leaders in College Sports' Executive Institute, and as a member of the NCAA Baseball Selection Committee and College Football Playoff Committee's operations committee. She has served on numerous Atlantic Coast Conference and American Athletic Conference committees. Reed-Francois is a member of the National Association of Collegiate Marketing Administrators and National Association of College Directors of Athletics and has been a presenter at NACDA, NACMA, Women Leaders, Lead1, CoSIDA and Sports Business Journal's annual conventions.

Reed-Francois and her husband, Joshua, have a son, Jackson (15).

Las Vegas by the Numbers

With a population of 2 million and counting, Las Vegas/Clark County is one of the fastest growing areas in the United States and a perfect example of modern urban living. Located in the nation's seventh-largest state, the city of Las Vegas (Spanish for "the meadows") was discovered by Spanish explorers and first settled by a Mormon expedition in 1855. Today, the city is the unquestioned hub of the scenic Southwest. Outdoors, the world-famous Hoover Dam is visited by more than a million people each year while the Lake Mead National Recreation Area is annually host to 9 million visitors for fishing, boating, hiking, camping and water sports. Las Vegans can just as easily head to the surrounding mountains (Nevada means "snowcapped" in Spanish) as Mt. Charleston offers snow skiing from an elevation reaching 12,000 feet and Red Rock Canyon boasts outdoor activities amid breath-taking views. Indoors, of course, Las Vegas offers unmatched excitement but the renowned "Entertainment Capital of the World" has also quickly developed into a first-class community offering families a year-round high-quality standard of living.
